PGO PROFESSIONAL GEOSCIENTISTS ONTARIO

Western UNIVERSITY · CANADA

Becoming a P.Geo. Info Session

Learn what it takes to become a professional geoscientist from the P.Geo. licensing body directly.

Curious about the pathway to become a P.Geo.? Hear directly from industry professionals! This session includes a brief presentation from Professional Geoscientists Ontario (PGO) and an open Q&A where you can connect with practicing geoscientists, explore career pathways, and get answers to your questions.
