Upcoming Recruitment and Career Events
Week of March 19th to the 23rd

Deloitte Days – March 19th from 11:00am – 3:00pm – Physics and Astronomy Atrium
Deloitte Days is a series of on-campus events where you can meet our team and chat with us about how you can make an impact across our entire organization. But wait...we are not your typical firm, and this is not your typical info session! Take a stretch break, grab some swag, and help yourself to some candy while you hang out with us and learn how Deloitte is growing the world’s best leaders so you can achieve the impact you seek, faster.
Target: Open to all students
Instructions: No registration required, drop in is open to all.

CanTeach – March 20th, sessions are from 12:00pm – 1:00pm and 3:00pm – 4:00pm – WSS3134
CANTEACH recruits qualified Canadians to Australia, New Zealand, Scotland and Wales to obtain their Teaching Certification in one-year programs. These qualifications are valid in Canada and Ontario even with the changes to a two-year program in Ontario. Mike Johnson from CANTEACH will be doing a 30-minute presentation on Teachers College Abroad. Questions and answer sessions will follow the presentation.
Target: 3rd and 4th year students
Instructions: Please register on Career Central.

Online – open until April 30th, 2018
This initiative encourages skilled and talented women who are interested in a career in financial markets to continue their pursuit of either an undergraduate or post graduate degree in Finance, Business, Commerce, Economics, Risk Management or Financial Engineering, while providing them with the opportunity to get acquainted with our organization. As women are completing their education, we offer the opportunity to put their in class learnings to use and gain valuable on the job work experience. Having a mentor and becoming acquainted with our organization helps to provide women some insight on the skills needed to be successful in this fast paced industry.

Up to 7 successful candidates will each be granted an employment opportunity (either an internship or full-time employment) in our Corporate & Investment Banking or Sales & Trading areas depending on their skillset and area of interest. In addition to the employment opportunity, a $5,000 bonus will be awarded to the successful recipient(s). The selected candidate(s) will be paired with a mentor from our Financial Markets group, ensuring a link between the recipient and National Bank throughout their studies.

Target: All female students looking interested in a career in financial services.
Instructions: Candidates will have until 11:59 pm on April 30, 2018 to apply to job number FIN008DR on our career site at http://www.nbc.ca
