

**NSERC Undergraduate Student
Research Awards**
in the
Schulich School of Medicine & Dentistry
Summer 2012

Information Session to be held
NOVEMBER 2, 12:30
MSB 384

NSERC Undergraduate Student Research Awards (USRA) enable undergraduate students to gain research experience under the supervision of a faculty member who holds an active NSERC award.

For instructions on applying for these awards through Schulich Medicine & Dentistry, contact:

Vicki VanStrien

Schulich Research Office, Robarts Research Institute, 1240
