Ph.D. GEOLOGY PUBLIC LECTURE

AYUMI HYODO
Supervisor: F. Longstaffe

**“The Holocene Paleolimnology of
Lake Superior”**

Thu. Aug. 26, 9.00 a.m.
Location: B&G Bldg. Room 1084

§§

PUBLIC LECTURE

Dr. TISH TUTTLE
Adjunct Professor

**“Paleoseismology and Earthquake
Hazard: New Madrid and Charlevoix
Seismic Zones”**

Tues, Aug. 17, 11:30 AM
B&G 0153

Tish's work is a fascinating interface between geology and seismology. She will show how, equipped with a canoe and a spade, one can uncover past earthquakes hiding in the Holocene along riverbank cuts.

§§

Congratulations...

To **Ian Power**, for his recent successful Ph.D. defense.

§§

Elginfield Observatory Open House

The Elginfield Observatory will be having an open house from 6:00 PM to midnight on Saturday, August 21. You can come and see a working 1.2 metre research telescope in action!

For more information and directions, visit <http://planetsci.uwo.ca/Elginfield/>.

§§

WHMIS Testing

This is a reminder that all faculty, staff, post-doctoral fellows, graduate students and fourth year students are required to have an up-to-date **Comprehensive WHMIS** certificate.

You can take the test online at <http://webct.uwo.ca>

Please email your certificate to Margaret Moulton (mmoulto@uwo.ca) once complete.
