WELCOME BACK

Welcome back to campus, Teacher Candidates, and Happy New Year!

The ESC hopes that you all enjoyed the holiday season and that you are well-rested, ready to take on 2019.

We're excited for the many events & initiatives we have planned for you in the next few months. The event we are most excited for is our 4th Annual Bubble Soccer Tournament in support of Kids Help Phone.

Your first challenge this year: "Be the balls so kids can call!"

Are you ready to suit up for a good cause? TCs in first year, congrats on the completion of your first practicum! Year Twos, we are only four months away from finishing the program... We are so close!

Princess Marfil
ESC President

P.S. Don't forget that EDUC 5008 (T2P) is a course and counts as a credit! Don't forget to sign the attendance sheets!

PRACTICUM ONE

My practicum at Montcalm (Secondary) was phenomenal. My placement allowed me to work with grade 9 French students. What resonated with me most was the powerful role that building relationships and universal design played in ensuring that all students were empowered to succeed. This experience affirmed that a career in education is my professional calling.

-Laura

I had a great time teaching grade 11 Sociology, Anthropology, & Psychology at Medway, while shadowing a Food & Nutrition course! I was so lucky to be paired with a wonderful Associate Teacher who helped me grow. I can't wait to start my second practicum!

-Pattie

I was absolutely amazed by the passion and dedication of all the staff at my school. Their obvious commitment to the success and wellbeing of their students was a true inspiration.

A NOTE ON OUR NEW LOGO

DURING OUR REBRANDING, A LOGO WAS SUBMITTED THAT FIT PERFECTLY WITH THE ESCARGOT. DILPREET MOTI'S LOGO WILL BE USED FOR ALL OUR FUTURE PRINTS. WHAT DOES THE LOGO REPRESENT?

"THOUGH THE ESCARGOT IS A DELICACY, THE HUMBLE SNAIL IS AN APT METAPHOR FOR HOW LEARNING IS A GRADUAL PROCESS THAT ONE SHOULD LEARN TO ENJOY THAT VERY PROCESS TO ITS FULLEST. FROM A TEACHER'S PERSPECTIVE, A SNAIL REPRESENTS PATIENCE... A QUALITY ATTRIBUTE FOR ALL TEACHERS TO POSSESS."
MOTI COULDN'T HAVE SAID IT ANY BETTER!

A FE ONE

"I completed my AFE at the Saint John Arts Centre in New Brunswick. I shadowed the Education & Community Outreach Coordinator and learned so much about non-profits. Along with helping out at the centre, I learned about grants & funding structures for the non-profit organization. I loved my placement and learned so much!" -Mark

"I was in a preschool (CASA) classroom at Montessori with two other educators. I was really impressed with how the room operated and what the children did on a daily basis. The children were very independent and the lessons were designed as concrete experiences. I helped out with daily activities and taught about cultural holidays during my time. My mentors were great- they included me and made me feel a part of the team!" -Elisa
