

FACULTY POSITION
Limited-Term – Lecturer or Assistant Professor
SCHOOL of COMMUNICATION SCIENCES and DISORDERS

The [Faculty of Health Sciences](#) (FHS) at Western University invites applications for a two-year Limited-Term full-time position with a potential for renewal. The position will be at the rank of Lecturer or Assistant Professor in the [School of Communication Sciences and Disorders](#) (CSD) with academic responsibilities in teaching (80%) and service (20%). The anticipated start date will be July 1, 2024, or as negotiated. Salary and rank will be commensurate with qualifications and experience.

We are seeking energetic and dynamic candidates who will be able to contribute substantially to the teaching and service efforts of the School in the field of speech-language pathology. Applicants must (1) be a speech-language pathologist with an entry-to-practice degree at minimum, (2) have excellent organizational and interpersonal skills, and (3) be eligible to be licensed with the College of Audiologists and Speech-Language Pathologists of Ontario.

Preference will be given to applicants with previous university-based teaching experience and capacity to teach in an evidence-informed speech-language pathology curriculum. Ideal candidates will have completed a master's or doctoral degree in a related field and/or have recognized clinical experience and expertise. The successful candidate will also have a demonstrated capacity to contribute substantively to an inclusive and diverse academic community.

The School of CSD is an international leader in the professions of audiology and speech-language pathology, offering Master of Clinical Science degrees in Audiology and Speech-Language Pathology and participating in the Health and Rehabilitation Sciences (HRS) Graduate Program. The HRS Program was the first in Canada to host a combined clinical-research degree (i.e., MCISc-PhD) in Speech and Language Sciences and in Hearing Sciences. The School maintains the research oriented H.A. Leeper Speech and Hearing Clinic, which includes the provincially funded tykeTALK and Infant Hearing Programs. Within audiology, current specialized clinical services include infant assessment and assistive device fitting, pediatric amplification, aural rehabilitation, and geriatrics. Within speech-language pathology, the clinic currently provides specializations in preschool speech and language, speech and language disorders in school-age children, and adult and adolescent voice, fluency and acquired neurogenic communication disorders. The School's faculty members are active and productive researchers, engaged in both theoretical and clinical work. The School and the Faculty are committed to developing new as well as expanding existing partnerships with local, regional, national, and international interdisciplinary colleagues. We are also actively engaged in the process of embedding a culture of equity, diversity, and inclusivity in our School.

[Western University](#) delivers an academic experience second to none. Western challenges the best and the brightest faculty, staff, and students to commit to the highest global standards. Our research excellence expands knowledge and drives discovery with real-world application. Western attracts individuals with a broad worldview, seeking to study, to influence and to lead in the international community. Since 1878, The Western Experience has combined academic excellence with life-long opportunities for intellectual, social, and cultural growth in order to serve better our communities.

Interested applicants are invited to submit a complete application package, **as a single PDF file**, containing the following:

- [Application for Full-time Faculty Position Form](#)
- Cover letter that outlines their interest and qualifications for the role
- Current curriculum vitae
- Brief statement of teaching and curriculum experience
- Brief statement on equity, diversity, inclusion, decolonization, and accessibility in relation to teaching and/or mentoring
- Names and contact information of three academic references

The application package can be submitted via email to:

Dr. Lisa Archibald, Professor and Director (csddirector@uwo.ca)
School of Communication Sciences and Disorders
Room 1004, Elborn College
Faculty of Health Sciences
Western University
London, Ontario
N6A 1H1

**The deadline for receipt of applications is March 4, 2024.
Please quote number HS-265 on all correspondence.**

Positions are subject to budget approval. Applicants should have fluent written and oral communication skills in English. The University invites applications from all qualified individuals. Western is committed to employment equity and diversity in the workplace and welcomes applications from women, members of racialized groups, Indigenous peoples, persons with disabilities, persons of any sexual orientation, and persons of any gender identity or gender expression.

In accordance with Canadian Immigration requirements, priority will be given to Canadian citizens and permanent residents.

Accommodations are available for applicants with disabilities throughout the recruitment process. If you require accommodations for interviews or other meetings, please contact Jacqueline Geneau, Administrative Assistant, jgeneau@uwo.ca.
