

Faculty Positions in Management Science

The Ivey Business School at Western University seeks candidates for up to two full time, limited term faculty positions in the area of Management Science. Applicants will be considered for appointment at the rank of Lecturer, Assistant Professor, Associate Professor or Professor to be determined by candidate qualifications and experience. The positions are available to begin in July 2024, although an alternate date may be arranged. The appointment will be for up to three years with the potential for renewal.

The successful candidate will be expected to teach management science subjects (including business analytics, management statistics and data science) in our student-centered, case-based undergraduate, MBA, or EMBA programs, or in the MSc or PhD programs. In addition to teaching, the successful candidate may also contribute to and complement the school's extensive research on Management Science and Business Analytics, specifically, with regard to Revenue Management, Health Care, Supply Chain Management, and Optimization.

Candidates are expected to have Masters or PhD (or nearing PhD completion) degrees with a quantitative focus. Preference may be given to those who have a PhD in analytics, quantitative management science or statistics. Candidates are sought who have an interest in actively engaging with students as part of the Ivey educational experience; this may include teaching in Ivey's executive development programs.

APPLICATION PROCEDURE: Applicants must submit the following materials to facultypositions@ivey.ca:

- Completed [application form](#)
- Cover letter
- Curriculum vitae
- Statement of teaching philosophy
- Three letters of reference
- (Optional) copies of research papers

Please ensure that the application form is completed and included in your application submission. Review of applicants will commence on **October 20, 2023**. Applications will be considered until the positions are filled.

The **Ivey Business School's** mission is to develop leaders who think globally, act strategically and contribute to the societies within which they operate.
