

The University of Western Ontario Faculty of Science

Applications or nominations are invited for the position of Chair, Department of Applied Mathematics, Faculty of Science. Applicants or nominees must be tenured faculty members at Western. The successful candidate will have a clear vision for the direction of the Department, demonstrated leadership ability, excellent communication skills, and the ability to establish and maintain strong relationships within and outside the Department and the University and with the Canadian applied mathematics community. A record of high quality undergraduate and graduate teaching and research in applied mathematics is required. This position is an opportunity for the selected candidate to show leadership in teaching, research, administration, and outreach. The new Chair will be expected to develop and facilitate the implementation of a departmental academic plan that is consistent with the strategic plans of the Faculty and University, and that would aim to position the Department within the top tier of those departments offering programs in applied mathematics.

The application package should include a cover letter and curriculum vitae. The term of the appointment will be for a maximum of five years; the appointment is anticipated to commence on July 1, 2017.

Nominations and applications should be sent to:

Dr. Charmaine Dean
Dean of Science
Western Science Centre
The University of Western Ontario

Consideration of applications will commence on November 15, 2016.

Positions are subject to budget approval. Applicants should have fluent written and oral communication skills in English. The University invites applications from all qualified individuals. Western is committed to employment equity and diversity in the workplace and welcomes applications from women, members of racialized groups/visible minorities, Aboriginal persons, persons with disabilities, persons of any sexual orientation, and persons of any gender identity or gender expression.

Accommodations are available for applicants with disabilities throughout the recruitment process. If you require accommodations for interviews or other meetings, please contact blhutche@uwo.ca
