The Department of Medicine, Division of Cardiology, Schulich School of Medicine & Dentistry, at Western University, London Health Sciences Centre and St. Joseph’s Health Care Centre are seeking a cardiologist for full-time clinical academic appointment to Western, as Chair/Chief of the Division of Cardiology. Applicants should be certified, or eligible for certification, in cardiology by the Royal College of Physicians and Surgeons of Canada, or equivalent. Candidates must have an MD, or equivalent, and must be eligible for licensure in the province of Ontario. The successful candidate will receive an appointment at the rank of Associate, or Full Professor with a Continuing Appointment.

The Schulich School of Medicine & Dentistry at Western University is one of Canada’s preeminent medical and dental schools. Established in 1881, it was one of the founding schools of Western University and is known for being the birthplace of family medicine in Canada. For more than 130 years, the School has demonstrated a commitment to academic excellence and a passion for scientific discovery. Throughout its history, Schulich Medicine & Dentistry has helped educate generations of physicians, dentists, scholars and scientists whose collective work has transformed the practice of medicine and dentistry, here in Canada and around the world. Faculty, students and alumni continue to fulfill their responsibilities as global leaders by sharing their knowledge and expertise for the benefit of all.

The Division of Cardiology is well-recognized and respected both nationally and internationally. The Division’s 31 physicians provide secondary, tertiary and quaternary cardiovascular services for the City of London, Southwestern Ontario and beyond. The Division has the largest Royal College Subspecialty Training Program in the Department of Medicine. Research expertise within the Division is extensive.

The successful applicant will have an outstanding record of academic achievement, including research productivity and program leadership. The preferred applicant would have a strong record of research productivity and would continue to contribute the research goals of the Division. The successful applicant will also have a commitment to and demonstrated aptitude for teaching, and will be expected to promote and contribute to excellence in trainee education. The successful applicant will have demonstrable leadership, organizational, business and financial skills. Consideration of applicants will include an assessment of previous performance, qualifications and experience.

Compensation for this position will be commensurate with qualifications and experience and will be primarily composed of fee for service, alternative funding plan and academic salary.

Those interested in applying for this position should forward curriculum vitae along with at least three names of references and include the form at the following link: http://uwo.ca/facultyrelations/physicians/Application_FullTime_Clinical.pdf.
