ACADEMIC POSITION - CHAIR, DIVISION OF ALLERGY & CLINICAL IMMUNOLOGY

The Division of Allergy & Clinical Immunology, Department of Medicine, Schulich School of Medicine & Dentistry, at Western University, and its affiliated hospitals are seeking an Allergist and/or Clinical Immunologist for a full-time continuing clinical academic appointment as Chair of the Division. Applicants should be certified, or eligible for certification, in Allergy & Clinical Immunology by the Royal College of Physicians and Surgeons of Canada, or equivalent. Candidates must have an MD, or equivalent, and must be eligible for licensure in the province of Ontario. This appointment will be at rank of Associate Professor or Professor.

The Schulich School of Medicine & Dentistry at Western University is one of Canada’s preeminent medical and dental schools. Established in 1881, it was one of the founding schools of Western University and is known for being the birthplace of family medicine in Canada. For more than 130 years, the School has demonstrated a commitment to academic excellence and a passion for scientific discovery. Throughout its history, Schulich Medicine & Dentistry has helped educate generations of physicians, dentists, scholars and scientists whose collective work has transformed the practice of medicine and dentistry, here in Canada and around the world. Faculty, students and alumni continue to fulfill their responsibilities as global leaders by sharing their knowledge and expertise for the benefit of all.

The Division of Allergy & Clinical Immunology is well-recognized and respected and is one of only seven centers in Canada accredited by the Royal College to train residents and fellows in the Specialty. The Division provides secondary and tertiary services for the City of London, Southwestern Ontario and beyond. The Division has also developed successful partnerships with Respirology to share an Asthma Center as well as Otolaryngology, Pediatrics and Occupational Medicine.

The successful candidate will have maintained a record of academic achievement including research expertise and program leadership. It is anticipated that the candidate will contribute to the research productivity of the Division. The successful candidate will also have a commitment to, and demonstrated aptitude for teaching, and will be expected to promote and contribute to excellence in trainee education. Consideration of applicants must include an assessment of previous performance, qualifications and experience.

Compensation for this position will be commensurate with qualifications and experience and will be primarily composed of fee for service, alternative funding plan and academic salary.

Those interested in applying for this position should forward curriculum vitae along with at least three names of references and include the form at the following link:
