Ophthalmologist – Cornea and External Disease

The Department of Ophthalmology at the Ivey Eye Institute at St-Joseph’s Health Care London and Western University invites applications for a full time clinical academic position in Ophthalmology with a specialization in Cornea and Anterior Segment.

The Ivey Eye Institute, which is the main referral centre for eye disease in SouthWestern Ontario, is committed to excellence in patient care, education and research. Its conference facilities, library collection, orthoptic service and diagnostic service provide a sound foundation for the Institute's excellent reputation in all of its activities. The specialists in the department are an integral part of the medical and surgical team, treating diseases and conditions of the eye for adults and children, and helping to diagnose general medical disorders.

Responsibilities will include:
1. Active participation in team-based health care.
2. Active involvement in teaching, both at the undergraduate and post graduate levels.
3. At least 35% time commitment to research, education and/or administrative activities in the Department, Hospital and/or the University.

Qualifications include:
1. Certification in Ophthalmology by the Royal College of Physicians and Surgeons of Canada with specialized Fellowship training in Complex Cornea and Surface Diseases.
2. A keen interest in academic medicine.
3. Ability to collaborate effectively with all other members of the health care team and office staff.
4. Advanced training in a discipline complementary to the academic mission of the department.

Rank will be determined by experience and qualifications at the time of the appointment. This is a Clinical Academic appointment and candidates must hold an MD degree or equivalent, specialty certification in Ophthalmology by the Royal College of Physicians and Surgeons of Canada, be eligible for licensure in the Province of Ontario, and have completed training in or developed a focus of expertise that would be complimentary to the department's academic environment. Remuneration to commensurate with experience and training.
