Western University delivers an academic experience second to none. Western challenges the best and brightest faculty, staff and students to commit to the highest global standards. Our research excellence expands knowledge and drives discovery with real-world application. Western attracts individuals with a broad worldview, seeking to study, influence and lead in the international community. Since 1878, The Western Experience has combined academic excellence with life-long opportunities for intellectual, social and cultural growth in order to better serve our communities.

The Department of Psychiatry (http://www.schulich.uwo.ca/psychiatry/) is organized around four academic divisions including, Geriatric Psychiatry, Child and Adolescent Psychiatry, Forensic Psychiatry, and General Adult Psychiatry, and two programs, Neuropsychiatry and Developmental Disabilities. Our divisions and programs provide an academic home for 76 clinical academics and 6 basic scientists and support education, training and research in each of these areas.

The Department of Psychiatry and Schulich School of Medicine & Dentistry at Western University is inviting applications for a full-time clinical academic faculty position that includes clinical work with our Assertive Community Team within the Treatment and Rehabilitation Program at Parkwood Institute Mental Health Care and with the Consultation/Liaison Services at St. Joseph’s Health Care London and/or London Health Sciences Centre. Academic rank and contract status will be determined by experience and qualifications at the time of appointment. Candidates must hold an MD or equivalent and be eligible for licensure in the Province of Ontario with eligibility for certification in Psychiatry from the Royal College of Physicians and Surgeons of Canada.

The successful candidate must have proven academic and clinical skills in rehabilitation/community psychiatry and consultation/liaison psychiatry. Evidence of demonstrated excellence in education; experience/expertise in Competency Based Medical Education and a commitment to teaching is required. The Department and the program encourages activities in clinical/service development, teaching and research. Evidence of educational scholarship is a definite asset. Leadership skills are a requirement to assist in strategic planning, capacity building and collaboration within teams, the Department, and across the region. The desired candidate will embrace evidence-based practice and will thrive in an environment of continuous learning and education. Knowledge of, and dedication to, a recovery-oriented treatment philosophy is required.

Compensation will include payment for clinical services, alternative funding plan and academic support. Additional fee for service is optional. Relocation expenses may also be negotiable.

At Western University, this is a particularly exciting time to work in rehabilitation psychiatry. Clinically, our interdisciplinary team works closely together with each of our patients utilizing a recovery-oriented
treatment philosophy – one that prioritizes individual choice and personal goals, builds on strengths, and instills hope.

Academically, we are committed to advancing the scientific evidence base in our field, and providing exceptional educational opportunities for trainees in all disciplines.

London is a medium-sized city (population 360,000) with the amenities of a large city and a small-town feel. The regional catchment area population is approximately 1,500,000. Known as the Forest City because of its many trees, it is a short drive from the Lake Huron and Erie coasts and close to excellent summer theatre, including the Stratford Festival. It prides itself on an excellent public school system and houses a number of art galleries, and theatres. More details about London, Ontario can be found at – www.goodmovelondon.com

Interested candidates should submit a letter of intent and accompanying curriculum vitae, along with the names of three references to be contacted, to:

Dr. Paul Links, Professor and Chair
Department of Psychiatry, Schulich School of Medicine and Dentistry
Western University
