Western University
London Health Sciences Centre & St. Joseph’s Health Care London

invite applicants for the position of

Academic Thoracic Surgeon, Department of Surgery

The Division of Thoracic Surgery, Department of Surgery, Schulich School of Medicine & Dentistry at The University of Western Ontario is seeking a full-time Limited Term Clinical Academic appointment at the rank of Assistant Professor or Associate Professor, or a Continuing Clinical Academic appointment at the rank of Associate Professor or Professor, depending upon experience and qualifications at the time of appointment. The Division of Thoracic Surgery is affiliated with London Health Sciences Centre and is presently comprised of four thoracic surgeons with busy clinical practices. The Division has a strong clinical research interest with a dedicated research coordinator and is an accredited Royal College training program.

The successful candidate must be interested in pursuing a strong academic career and will be expected to participate actively in the Division’s academic, research and educational initiatives including teaching and supervision of undergraduate students, residents, and fellows. Applicants considered at the rank of Associate or Full Professor must have demonstrated the ability to publish in the highest quality academic and subspecialty outlets and be a recognized expert in their field of research. In addition, candidates will be expected to provide in the full range of clinical services required of a thoracic surgeon.

The successful candidate must have an MD or equivalent; have completed an accredited thoracic surgery training program; have received (or are eligible for) Specialty Certification in Thoracic Surgery from the Royal College of Physicians and Surgeons of Canada (or equivalent); and be eligible for licensure in the Province of Ontario. It is strongly recommended that the applicant has a post graduate Masters degree or the commitment to obtain it upon acceptance into the faculty. An interest and experience in interventional endoscopy would be an asset.

Compensation for this position will be commensurate with qualifications and experience and will be primarily composed of the following sources: Fee For Service (OHIP billings), Alternative Funding Plan, and Academic Salary.

London is Canada’s 10th largest city with a population of 400,000, a catchment area of 2 million, and is situated in southwestern Ontario between Toronto and Detroit. The region has a diverse economy and excellent educational opportunities. It is a safe and diverse city and its numerous parks, trails, recreational, cultural and sporting opportunities make it an attractive place to live. Western University is a research-intensive university with full-time enrolment of about 34,000 students with a full range of academic and professional programs. The Schulich School of Medicine & Dentistry (Schulich) provides an outstanding educational experience within a research intensive environment where tomorrow’s physicians, dentists and health researchers learn to be socially responsible leaders in the advancement of human health.

Interested candidates should send a letter of interest and statement of academic qualifications, curriculum vitae, the names and addresses of three references, and also complete, sign and include the form at the following link http://uwo.ca/facultyrelations/physicians/Application_FullTime_Clinical.pdf to:

Richard Inculet, MD, FRCSC
Chair/Chief, Division of Thoracic Surgery
LHSC/Victoria Hospital, Room E2-122
Applications will be accepted until the position is filled. Review of applications will begin after March 10, 2017 with an anticipated start date of July 1, 2017 or as negotiated.

Business Addresses:
Western University, 1151 Richmond Street, N., London, Ontario N6A 5B8, www.uwo.ca
London Health Sciences Centre, 800 Commissioners Road E., London Ontario, N6A 5W9, www.lhsc.on.ca

Positions are subject to budget approval. Applicants should have fluent written and oral communication skills in English. The University invites applications from all qualified individuals. Western is committed to employment equity and diversity in the workplace and welcomes applications from women, members of racialized groups/visible minorities, Aboriginal persons, persons with disabilities, persons of any sexual orientation, and persons of any gender identity or gender expression.

In accordance with Canadian Immigration requirements, priority will be given to Canadian citizens and permanent residents.

Accommodations are available for applicants with disabilities throughout the recruitment process. If you require accommodations for interviews or other meetings, please contact Dr. Inculet at r.inculet@lhsc.on.ca or 519-685-8500, ext. 76679.
