

CURRICULUM VITAE (12th Dec 2024)

1. **NAME:** J.B. Ora
RANK: Professor Emeritus, Adjunct Research Professor

DATE TENURED: July 1998

2. **EDUCATION:**

<u>Degree</u>	<u>University</u>	<u>Department</u>	<u>Year</u>
Postdoc	McMaster U.	Psychiatry	1990-1992
PhD	SUNY @ Buffalo	Communicative Disorders & Sciences	1986-1991
MHSc	U. Toronto	Speech-Language Pathology	1982
BSc	Queen's U.	Life Sciences	1980

3. **EMPLOYMENT HISTORY:**

<u>Date</u>	<u>Rank and Position</u>	<u>Department and Institution</u>
July 2022-present	Professor Emeritus	School of CSD, FHS, Western University
July 2022-2026	Adjunct Research Prof	School of CSD, FHS, Western University
Oct 2021-June 2022	Acting Director	School of CSD, FHS, Western University
July 2018-June 2023	Scientific Director	Canadian Centre for Activity and Aging, FHS, Western University
May 2017-Oct 2017	Admin Leave	School of CSD, FHS, Western University
July 2013-Dec 2016	Director	School of CSD, FHS, Western University
July 2012-June 2022	Professor	School of CSD, FHS, Western University
July 2012-June 2013	Sabbaticant	School of CSD, FHS, Western University
July 2007-June 2012	Director	School of CSD, FHS, UWO, London, ON
July 2007-present	Associate Scientist	Lawson Health Research Institute, London, ON
July 2007-April 2016	Associate Scientist	Aging, Rehabilitation & Geriatric Care St. Joseph's Health Care – Parkwood Hospital
July 2005-June 2006	Sabbaticant	School of CSD
May 2004-June 2022	Cross-Appointment	Academic Division of Developmental Disabilities, Department of Psychiatry, Schulich School of Medicine and Dentistry, UWO
Sept 2000-Aug 2012	Research Associate Professor	Department of CDS, College of Arts & Sciences, SUNY@Buffalo, USA
July 1999-June 2000	Sabbaticant	School of CSD
July 1998-June 2012	Associate Professor	School of CSD, FHS, UWO
March 1999-June 2005	Cross-Appointment Extra Dept. Member	School of Occupational Therapy, FHS, UWO
Nov 1997-present	Research Associate	Canadian Centre for Activity and Aging, FHS, UWO
July 1992-June 1998	Assistant Professor	School of CSD, FHS, UWO
Sept 1991-Aug 1998	Adjunct Assistant Professor	Faculty of Social Science, SUNY@ Buffalo, Buffalo, NY Department of CDS
Nov 1990-June 1992	Assistant Professor	Department of Psychiatry, Faculty of Health Sciences, McMaster University, Hamilton, ON
Nov 1990-June 1992	Research Associate	Geriatric Research Group, Henderson General Hospital Hamilton, ON
Aug 1984-Aug 1986	Department head	Arnprior & District Memorial Hospital, Arnprior, ON and Renfrew Victoria Hospital, Renfrew, ON
Oct 1982-Aug 1984	Staff SLP	Carleton Board of Education Ottawa, ON
June 1982-Aug 1982	Staff SLP	Hôpital Saint Vincent Hospital, Ottawa, ON

4. **HONORS AND AWARDS:****Publication Awards**

Canadian Association of Speech-Language Pathologists and Audiologists (CASLPA) - Editor's Award – April 2008 for Hughes, J. & **Orange, J.B.** Mapping functional communication measurements for traumatic brain injury to the WHO-ICF. (2007). *Journal of Speech-Language Pathology and Audiology*, 31(3), 134-143.

Research Awards

Best Poster in Cognitive Vitality and Brain Health Theme at Annual Parkwood Institute Research Day. "Better Together: The Power of Partnership". London, ON. (2022, April). *Screening for potentially modifiable risk factors for the dementia during functional fitness assessments.* Belfry, S.T., Acheson, J.K., DiFruscia, S.A., Khan, T.R., Lam, K.T., Patel, B.A. & **Orange, J.B.**

CIHR Institute of Aging & CAG Student Poster Competition, Canadian Gerontology Association Virtual Conference 2021. Master's Student competition – Winner. Bender, E., Savundranayagam, M.Y., Murray, L. & **Orange, J.B.** (Oct, 2021). Investigating effective strategies for nonverbal communication with people living with dementia: A scoping review.

Best Poster in Cognitive Vitality and Brain Health AND Mental Health at Annual Parkwood Institute Research Day: Moving Toward Better Health. London ON (2021, April). Sultana, M., Campbell, K., Jennings, M., **Orange, J. B.**, Knowlton, J., St. George, A., Montero-Odasso, M, & Bryant, D. (2021, April). *Virtual reality exposure therapy reducing responsive behaviors in nursing home residents with dementia: A case series*

Poster Award, 3rd Place, 4th International Research Workshop on FTD/ALS, London ON. Findlater, K.M., & Shoesmith, C., Findlater, K.A., & **Orange, J.B.**, (June 2013). *Language contributions to health related quality of life in amyotrophic lateral sclerosis.*

Teaching Awards

UWO - University Students' Council (USC) Teaching Honour Roll - 1996-1997

UWO Faculty of Health Sciences – Recognition of Achievement in Teaching (Student evaluations of 6.0 to 6.2/7.0) – 2001, 2003, 2004, 2006, 2010, 2011, 2015, 2018

UWO Faculty of Health Sciences – Recognition of Excellence in Teaching (Students evaluations of 6.3 or >/7.0) – 2007, 2008, 2009, 2010, 2012, 2014

Nominated for Bank of Nova Scotia - UWO Alumni Association and the University Students' Council (but not awarded), Award of Excellent in Undergraduate Teaching – Fall term 2006

School of CSD – Top 10% Instructor Award – June 2013

Alumni/Alumna Awards

Distinguished Service Award - 2018

Faculty of Medicine - Graduate Department of Speech-Language Pathology

University of Toronto

Toronto, ON Canada

The award is given annually to an alumni/a of the SLP department who has made outstanding contributions to the profession over her/his lifetime.

5. **TEACHING**
UNDERGRADUATE COURSES

UWO**Courses (Maximum = 7.0 on Instructor Evaluation scores unless otherwise indicated)**

CSD 4411f/g Introduction to Speech, Language, and Hearing Disorders - Fall terms 1994 (4.2/5), (CSD 441a/b 1995 (4.4/5), 1996 (6.7), 1998 (6.7), 2000 (6.4), 2003 (5.0) 2004 (Section 1, 6.1; & CSD 441f/g) Section 2, 6.2), 2006 (Sec 1, 6.0; Sec 2, 6.5), 2009 (Sec 1, 6.5; Sec 2, 6.3)

CSD 429a/b Diagnostics Methods in Speech-Language Pathology - Fall 1997(6.2), 1998 (6.8)

Guest Lectures

CSD 401a/b Clinical Principles and Observations - *Traumatic Brain Injury, Right Brain Injury, and Cognitive-Communicative Disorders Associated with Dementia*, March 1995, 1996, 1997, 1998

CSD 442a/b Theory to Practice - *Assessment and evidence-based clinical practice* Jan & Feb 2005, Feb 2007

CSD 4411 Introduction to Speech, Language, and Hearing Disorders – Fall 2007, 2008, 2010, 2011, 2013, 2014, 2015, 2016, 2017, 2018. 2019, 2020 (asynchronous, on-line module provided)

- LIN 287f/g Language Science, – *Neuroanatomical correlates of adult language disorders*, Nov 2000
- LIN 1028b Introduction to Language – *Neurolinguistics and adult language disorders*, March 2002,
(LIN 028b) April 2004, March 2005, Feb 2007, March 2008, Feb 2009, & 2010, March 2011 & 2012
- MD students Psychiatry and Behavioural Unit - *Communication disorders across the lifespan: Adults*
(1ST Yr) Feb 2003 & 2004, Dec 2004
(2nd Yr) Geriatric Psychiatry Unit - *Speech, language and cognitive-communication in dementia: profiles, assessment/referral and effective strategies* Feb 2000
Review of dementia and the changes of language and communication Jan 2001, 2002
Interprofessional Health Care Professional Teamwork: Case Studies, Jan 2007
- NU 1153 Self and Others - *Communicating with adults: Implications for nurses*, Jan 2002
(NU 053) *Speech, language, hearing, and cognitive-communication disorders in adults: Implications for nurses*, Jan 2003, Feb 2004, Feb 2005(X2), Feb 2009
- OT 440a/b Pharmacology and Gerontology, Guest lectures - *Communication Changes Associated with Aging*, October 1993, 1994, 1995, 1996, 1997
- PT 330a/b Neurology for Physiotherapy - *Aphasia and Associated Disorders*, Dec 1998, Oct 2000, 2001
- PT 410a/b Geriatric Rehabilitation - *Communication Changes Associated with Aging*, October 1995, 1996, 1997, 2000, 2001, 2002
- HS 2200b Health Occupations – *Audiology and speech-language pathology*, March 2008, Feb 2009
(HS 206b)
- RS 351a/b Foundations in Rehabilitation Science – *Aphasia, dementia and disabling factors for individuals and family*, Nov 2006

Independent Studies

- Bracia Eaton (BHSc) HS 4900E Health Practicum, - *Assessment and therapy with adults who have acquired language (aphasia) and cognitive-communication disorders (dementia)*, Sept 2012-April 2013
- Monika Wojtera (BHSc) UWO President Scholars Elective – *Discourse in non-Alzheimer's disease dementias*. Oct 2010-April 2011
- Karima Betts, (BA) UWO President Scholars Elective – *Linguistics and cognitive-communication in Alzheimer's disease* Sept 2006-April 2007

McMaster University

Guest Lectures

- 3D03 Psychology and Aging - *Communication Problems and Their Management in Dementia* - April and July 1991, November 1992, 1993
- 4B03 Communication and Counseling with Older Adults, Guest lecture - *Research in Communication and Alzheimer's Disease* - April 1992
- 3S08 Problem Based Tutorial in Nursing - *Communication and Individuals with Dementia* – March 1991

SUNY at Buffalo

Courses and Guest Lectures

- CDS 151 Human Communication Disorders - Fall semester 1986, Fall and Winter semesters 1987
- CDS 482 Diagnostics – *Motor Speech and Adult Language Disorders* - Winter semesters 1988, 1989, 1990

Department of Physical Therapy, SUNY at Buffalo, November 1987 and 1988 - *Interdisciplinary Approaches to Speech-Language Pathology in Rehabilitative Health Care*

Department of Social Work, SUNY at Buffalo, November 1987
Communication in Dementia

Department of Communicative Disorders and Sciences, SUNY at Buffalo, October 1986
Theories of Communicative Dysfunction in Alzheimer's Disease

GRADUATE COURSES and SEMINARS**UWO****Courses and Seminars Courses (Maximum = 7.0 on Instructor Evaluation scores unless otherwise indicated)**

CSD 9617b (CSD 9610a, CSD 610a)	Aphasia and Associated Disorders/Acquired Language Disorders (ALD) - 1993 (4.7/5), 1994 (4.4/5), 1995 (3.4/5), 1996 (6.3/7), 1997 (5.8), 1998 (6.3), 2000 (5.9), 2001 (5.8), 2002 (6.4), 2003 (6.3), 2004 (6.8), 2006 (6.7), 2007 (6.4), 2008 (6.3), 2009 (6.1), 2010 (6.5), 2012 (6.2), 2014 (5.1), 2015 (6.3), 2016 (5.4), 2017 (5.6), 2018 (5.93), 2019 (no average provided), 2020 (not administered)
CSD 9627b/s	Clinical Applications for ALD - 2012 (5.8), 2014 (5.1), 2015 (6.1), 2016 (5.5), 2017 (5.56), 2018 (6.03), 2019 (no average provided)
CSD 614a/b	Hearing Management for Speech-Language Pathology, ½ responsibility for fall terms 1996 (5.1), 1997 (6.1)
CSD 9681 (CSD 681)	Communication Disorders in the Geriatric Population - 1993 (4.4/5), 1994 (4.3/5), Fall 1995 (4.2/5), Winter 1995 (4.1/5), 1997 (none administered - too few students enrolled), 1998 (none administered – too few students enrolled), 1999 (none administered – too few students enrolled), 2001 (4.5/5), 2002 (6.2), 2003 (6.5), Winter 2004 (6.7), Spring/Summer 2004 (none administered - too few students enrolled), 2007(6.2); 2008 (6.4), 2009 (6.8), 2010 (6.6), 2011 (6.2), 2012 (6.7), 2014 (6.6)
CSD 937y	AAC and Special Topics in SLP – Communication and Aging – Winter 2018 (4.97), Fall 2018 (5.5), 2019 (6.2), 2020 (6.2), 2021 (4.6), 2022 (6.0)
HS 9681y	An Introduction to Speech and Language Science 2014-2015 (none administered – only 4/5 completed evaluation)

Guest Lectures

CSD 760a/b	Critical Analysis and Evaluation of Research in Communication Sciences and Disorders – co-taught with 5 other CSD faculty Winter 2002 (5.9/7), 2003 (6.2/7)
CSD 9515	SLP for Audiology, <i>Implications of adult language and cognitive-communication disorders for audiologists</i> , March 2012, 2014, Aug 2015, Feb 2016
HS 673y	Research Seminar, Health and Rehabilitation Sciences - Speech and Language Sciences Field, June 2007, <i>Language and discourse in ALS</i>
PT 9512 (PT 525)	Physical Therapy in Rehabilitation Settings II, Guest lectures - <i>Aphasia and Optimal Communication</i> , March 2003, 2004, 2005, 2007, 2008, 2009, 2010, 2011, Feb 2012, March 2014, 2015
PT 9512	Integrated Physical Therapy Case Management – <i>Language and cognitive-communication and aging</i> , Jan 2022
HRS 9681y	Speech and Language Science Seminar: <ol style="list-style-type: none"> 1. <i>Neuropsychology, Speech Production and Language Platform for Ontario Brain Institute study of The Ontario Neurodegenerative Disease Research Initiative</i>, Nov 2013 2. <i>The FaCET program: Elements of, designing, implementing and testing a behaviour and communication education and training program for family caregivers of persons with dementia</i>, Nov 2015 3. <i>An Update on the Ontario Neurodegenerative Research Initiative (ONDRI)</i>, Sept 2016 4. <i>The Canadian Consortium on Neurodegeneration in Aging (CCNA) – Conversation in dementia</i>, Nov 2017

Health and Aging Seminar:

1. *Neuropsychology, Speech Production and Language Platform for Ontario Brain Institute study of The Ontario Neurodegenerative Disease Research Initiative*, Nov 2013
2. *From Theory to Practice: Elements of Designing a Family Caregiver Intervention*, Sept 2015

Independent Studies

Lynda Wolf, (PhD candidate in Occupational Therapy), Applied Health Sciences Program, University of Manitoba - *Language and discourse processing in adults with dementia* Sept-Dec 2008

Julie Hughes (MSc, Rehabilitation Sciences) – *Functional communication, the WHO ICF and acquired brain injury in adults* Jan-April 2006
 Aneta Kielar (PhD, Psychology) – *Psy558y - Semantic memory structure and processes in Alzheimer's disease* Sept 2004-April 2005
 Chloe Berry (MCISc – SLP), co-supervised with Professor Lisa Archibald, School of CSD - *The Boston Naming Test and Anomia in Adults* May-Sept 2002
 Northern Academic Health Science Network & Northern Outreach Medical Education Consortium
 Interdisciplinary Training Program for Rehabilitation Sciences Professionals – co-taught with 3 others, April 2002, March 2005, March 2007
 Diana Guest (MSc - Occupational Therapy), co-supervised with Professor Sandra Hobson, Department of Occupational Therapy, *Psychogeriatric assessment approaches in occupational therapy* March-June 1994

University of Toronto

Course

SLP 1533s Aphasia and Related Disorders - Co-Instructor of month-long block course along with Dr. Marc Pell (McGill), May 1997

Sir Wilfrid Laurier University

Guest lecture

PSY 620 Graduate Research Seminar - *Aspects of Communication Trouble and Repair in Conversations of Individuals with Alzheimer's Disease* - February 1991

SUNY at Buffalo

Courses and Guest Lectures

CDS 564 Adult Language Disorders - Winter semesters 1988 and 1989
 CDS 569 Stuttering, *Diagnostic Issues* - Fall semester 1989
 CDS 672 Geriatric Communication Disorders - Fall semesters 1989, 1990, 1991
 CDS 683 Right Hemisphere Damage and Brain Trauma - Fall semester 1988

GRADUATE STUDENT DISSERTATION and THESES SUPERVISION and EXAMINATION

<u>Summary</u>	<u>Completed</u>	<u>In Progress</u>
Postdoctoral Research Fellows	3	0
Doctoral Primary (Co-)Supervisor	8	3
Doctoral Advisory Committees	9	6
Doctoral Examination Committees	20	0
Doctoral Comprehensive Papers/Candidacy Examination Committees	17	0
Doctoral Chair – Examination Committees	11	
Master's Primary (Co-)Supervisor	28	1
Master's Advisory Committees	48	1
Master's Examination Committees	48	0
Master's Chair – Examination Committees	19	0
MCISc Research Projects	14	0

Details

Postdoctoral Research Fellows

Western

Lynne Williams - Sept 2007-Aug 2009
 Marie Savundranayagam - April 2005-June 2006

McMaster University - R. Samuel McLaughlin Centre for Gerontological Health Research

Richard Welland, *The role of nonverbal communication in the communication enhancement model: Alzheimer's disease*. Oct 1996-Sept 1997

PhD Students**Western****Primary or Co-Shared Research Supervisor**

Hailey Santos (Combined MCISc/PhD student, Graduate Program of Health and Rehabilitation Sciences – Speech and Language Science Field; co-supervised with Angela Roberts). Withdrew. July 2022-Aug 2023

Leah Dagenais (PhD student, Graduate Program of Health and Rehabilitation Sciences – Speech and Language Science Field), *Idea density and executive function in spoken narratives of older adults and persons with AD and MCI*. Sept 2019-present

Cecilia Flores Sandoval, (PhD student, Graduate Program of Health and Rehabilitation Sciences – Health Promotion Field) Co-supervisor with Dr. Shannon Sibbald, *Strategies as perceived by older adults and family medicine specialists to enhance transitional care from hospital to primary care for older adults*, Sept 2017-Nov 2021

Bahaa Sudqui Abdeljawad (PhD student, Graduate Program of Health and Rehabilitation Sciences – Speech and Language Science Field), *Communication, dementia and family caregivers in Jordan*. Sept 2017-April 2018 (LOA May 2018-June 2019)

Rosine Salazar (PhD student, Graduate Program of Health and Rehabilitation Sciences – Speech and Language Science Field), *Perceptions of literacy variability among middle elementary students with cochlear implants*. April 2017-present

Jessica Young (PhD student, Graduate Program of Health and Rehabilitation Sciences – Speech and Language Science Field and PhD Program, School of Graduate Studies, Flinders University, Adelaide Australia) Cotutelle PhD Program – Joint supervision with Professor Christopher Lind – Flinders University), *Self, personhood, and stigma in persons with dementia: A conversation analysis approach*, June 2016-present.

Ivan Culum (PhD student, Graduate Program of Health and Rehabilitation Sciences - Health and Aging Field), *Cognitive impairment and the Mediterranean Diet: A Canadian perspective*, July 2010-Jan 2019 (July 2008-June 2010, co-supervisor with D. Forbes)

Angela Roberts (PhD student, Graduate Program of Health and Rehabilitation Sciences – Speech and Language Science Field), *Characterizing spoken discourse in individuals with Parkinson's disease without dementia*, Sept 2009-Aug 2014

Barbara Watson (PhD student, Graduate Program of Health and Rehabilitation Sciences – Health and Aging Field), *Communication enhancement education and training for caregivers of individuals with dementia using the Communication Enhancement Model*, Sept 2009-May 2013

Kerry Byrne (PhD student, Doctoral Program of Rehabilitation Sciences), *Spousal caregivers' experiences during their husbands'/wives' transition from a geriatric rehabilitation unit to home*, Sept 2002-Aug 2008

Advisory Committee Member

Lami Williams (Graduate Program in Health and Rehabilitation Sciences; Speech and Language Science Field, *Title TBD*. Oct 2024-present

George Philip (Graduate Program in Health and Rehabilitation Sciences; Health and Aging Field), *Stigma and communication among persons living with dementia*. Feb 2022-present

Selina Teti (MCISc-PhD – Combined degree, Graduate Program in Health and Rehabilitation Sciences; Speech and Language Science Field), TBD, July 2021-present

Theresa Sedzro (MSc-Graduate Program in Health and Rehabilitation Sciences; Speech and Language Science Field – fast tracked to PhD), *Screening for aphasia among stroke patients in Ghana*. Dec 2020-present

Mohamed Rahme (Graduate Program in Health and Rehabilitation Sciences; Hearing Science Field – Combined MCISc-PhD degree track), *Achieving Exercise Accessibility and Understanding Fitness Benefits for Adults who are Hard of Hearing*, October 2020-present

Alyssa Kuiack (Graduate Program in Health and Rehabilitation Sciences; Speech and Language Science Field – Combined MCISc-PhD degree track), *Exploring collaboration and evidence-based practice in speech-language pathology*, May 2018-March 2023

Jovana Sibalija (Graduate Program in Health and Rehabilitation Sciences; Health and Aging Field), *Topic TBD*. Jan 2018-Nov 2024

Munira Sultana (Graduate Program of Health and Rehabilitation Sciences – Health and Aging Field), *The effects of Wii Fit on balance among persons with dementia in long-term care facilities*, April 2017-Feb 2018; LOA Feb 2018 – Dec 2018; Jan 2019-June 2020

Steven Cox, (Graduate Program of Health and Rehabilitation Sciences – Rehabilitation Sciences Field), *The application of clear speech in electrolaryngeal speakers*, Sept 2011-March 2016

Rebecca Affoo (Graduate Program of Health and Rehabilitation Sciences – Speech and Language Science Field), *Relationships among swallowing, cognitive deficits and dysphagia*, Sept 2011-Nov 2015

Margot Stothers (Graduate Program of Health and Rehabilitation Sciences – Speech and Language Science Field), *Semantic integration in adults with disorders of social perception: Influence of word knowledge and gestalt perception*", July 2008-Dec 2015

Mary Beth Jennings (Doctoral Program of Rehabilitation Sciences), *Factors that influence outcomes from aural rehabilitation of older adult: The role of perceived self-efficacy*, July 2000-Oct 2005

Paul Beaudin (Doctoral Program of Rehabilitation Sciences), *A contemporary socio-cultural exploration of health and healing: Perspectives from members of the Oneida Nation of the Thames (Onyota'a:ka)*, Sept 2003-Aug 2010

Inter-University Supervision and Advisory Duties

McMaster

Fiona Campbell, Doctoral Student, Rehab Science, Faculty of Health Sciences, McMaster University, Hamilton, ON, *Tentative title – Alternate and augmentative non-speaking users and end of life decisions*, May 2017- present

U. British Columbia - Faculty of Graduate Studies

Barbara Purves, Faculty of Interdisciplinary Studies and School of Audiology and Speech Sciences University of British Columbia, Nov 1999-April 2006

Dissertation Examination Committee Member or Chair

Western

Stephanie Muir-Derbyshire (Graduate Program of Health and Rehabilitation Sciences – Health Professions Field) *Speech-language pathologists (SLPs) enactment of dysphagia education and counselling in TBI inpatient rehabilitation*, Examination Committee Member – July 2021

Ana Maria Gonzalez Diaz (PhD – Hispanic Studies) – *Narrativa Multiterritorial Hispanoamerica*. Examination Committee Chair – Nov 2018

Harpreet Bassi (Graduate Program of Health and Rehabilitation Sciences – Measurement and Methods Field), *An exploration of the application of crowdsourcing to health-related research*. Examination Committee Chair – Nov 2017

Eradah O. Hamad (Graduate Program of Health and Rehabilitation Sciences – Measurement and Methods Field), *Personal constructs of dementia family care: The family caregiving experience of people living with dementia in Saudi Arabia*. Examination Committee Member – April 2017

Carlee Rees White (PhD – Biochemistry), *Assisted reproductive technologies disrupt genomic imprinting in human and mitochondria in mouse embryos*. Examination Committee Chair – Aug 2016

Steven Cox, (Graduate Program of Health and Rehabilitation Sciences – Rehabilitation Sciences Field), *The application of clear speech in electrolaryngeal speakers*, Examination Committee Member – March 2016

Raihan Uddin (PhD – Biology), *Genes and gene networks related to age-related learning impairments*. Examination Committee Chair – Dec 2015

Cameron Smith (PhD – Kinesiology), *Neuromuscular adaptations to voluntary contraction following postactivation potentiation*. Examination Committee Chair – Dec 2014

Marie-Ève Caty (PhD – Graduate Program of Health and Rehabilitation Sciences – Rehabilitation Sciences Field), *Reflective practice and professional knowledge: A grounded theory study of speech-language pathologists working in head and neck cancer rehabilitation*. Examination Committee Member – May 2014

Heather Brown (PhD – Graduate Program of Health and Rehabilitation Sciences – Speech and Language Science Field), *Academic achievement of children and adolescents with high-functioning autism spectrum disorder with in-depth focus on written expression*. Examination Committee Member – Dec 2013

Kelly Foley (PhD – Neuroscience), *The effects of pre- and postnatal administration of propionic acid and lipopolysaccharide on the behaviours of adolescent male and female rats*. Examination Committee Chair – Nov 2013

Kazunaka Matsuki (PhD – Psychology), *The roles of thematic knowledge in sentence comprehension*, Examination Committee Member – Oct 2013

Andrea Bowes (PhD – Psychology), *The social life of metaphor*. Examination Committee Member – Sept 2013

Jailal NG Ablack (PhD – Microbiology and Immunology), *Transactivation by human adenovirus early region 1A-conserved region three*, Examination Committee Chair – May 2011

Briana Zur (PhD - Graduate Program of Health and Rehabilitation Sciences – Health and Aging Field), *Assessment of occupational competence in dementia: Identifying key components of cognitive competence and examining validity of the Cognitive Competency Test*. Examination Committee Member – April 2011

Paul Beaudin (PhD – Doctoral Program in Rehabilitation Sciences), *A contemporary socio-cultural exploration of health and healing: Perspectives from members of the Oneida Nation of the Thames (Onyota'a:ka)*, Examination Committee Member – Aug 2010

Elle Ting (PhD – Media Studies, Faculty of Information and Media Studies), *Pax Americana: Sept 11 Memorialization and nation-building mythologies*, Examination Committee Chair – Aug 2009

Aneta Kielar (PhD – Psychology, Faculty of Social Sciences), *Representation of language in the brain: Behavioural and imaging investigations of English past tense morphology*, Examination Committee

Member – April 2008

Karla Washington (PhD – Rehabilitation Sciences), Faculty of Health Sciences, Program of Health and Rehabilitation Sciences, UWO, *Exploring the impact of two direct treatment programs for the remediation of expressive grammar deficits in preschool and kindergarten children with specific language impairment*, Examination Committee Member – July 2007

Allyson Dykstra (PhD – Rehabilitation Sciences, Faculty of Health Sciences, Program of Health and Rehabilitation Sciences), *The effects of hypophonia on speech intelligibility, communication effectiveness and communication-related quality of life in Parkinson's disease*, Examination Committee Member – Feb 2007

Karen Chipman (PhD – Psychology, Dept. Psychology, Faculty of Social Sciences), *Sex differences in the limb praxic function of children and adults*, Examination Committee Member – April 2005

James Hardy (PhD – Kinesiology, Faculty of Health Sciences), *Describing athlete self-talk*, Examination Committee Chair – July 2004

Tanya Eadie (PhD – Rehabilitation Sciences, Faculty of Health Sciences), *Auditory-perceptual ratings and quality of life in tracheoesophageal (TE) speakers*, Examination Committee Member – April 2003

George Cree (PhD – Psychology, Department of Psychology, Faculty of Social Sciences), *Exploring the factors underlying the structure and computation of the meaning of concrete nouns: Constraints imposed by category-specific semantic deficits*, External Examination Committee Member – Aug 2002

Catharine Amara (PhD – Kinesiology, School of Kinesiology, Faculty of Health Sciences), *Muscle: A determinant of cardiorespiratory function and strength in the elderly*, Examination Committee Chair – May 2001

Paul Estabrooks (PhD - Kinesiology, School of Kinesiology, Faculty of Health Sciences), *The role of group cohesion in the exercise behaviour of older adults*, Examination Committee Chair - June 1999

U. Toronto

Bruna Seixas-Lima (PhD – Speech-Language Pathology, Department of Speech-Language Pathology, Faculty of Medicine), *Towards understanding the relationship between language and memory in discourse* – External Examination Committee Member, June 2020

Heather Flowers (PhD – Speech-Language Pathology, Department of Speech-Language Pathology, Faculty of Medicine), *The incidence, co-occurrence, and predictors of dysphagia, dysarthria, and aphasia after acute ischemic stroke*, External Examination Committee Member – Dec 2013

U. Alberta

Tiana B. Rust (PhD – Psychology), Department of Psychology, Faculty of Graduate Studies and Research, *Role of caregiver beliefs about Alzheimer disease in the social creation of dependency among persons with Alzheimer disease*, External Examination Committee Member – June 2012

U. British Columbia

Barbara Anne Purves (PhD – Interdisciplinary Studies), Department of Interdisciplinary Studies, Faculty of Graduate Studies, *Family voices: Analyses of talk in families with Alzheimer's disease or a related disorder*, External Examination Committee Member – April 2006

Université de Montréal

Anh Duong (PhD – Biomedical Sciences), École d'orthophonie et d'audiologie, Département de Sciences Biomédicales, Faculté de médecine, *Analyse cognitivo-linguistique du discours chez les personnes atteintes de la démence de type Alzheimer*, External Examination Committee Member – Nov 2002

Concordia University

Jennifer Frain (PhD – Psychology), School of Graduate Studies, *Neuropsychological and psycholinguistic correlates of off-topic verbosity in the elderly*, External Examination Committee Member - Nov 1996

PhD Comprehensive Paper/Candidacy/Examination Committee Member**McMaster U**

Discussant for Research Panel Presentation

Canadian Association on Gerontology (CAG) Virtual Conference Oct 2021
 Session S12 – “*Why and How Sensory Screening in Older Adults Can Improve Healthy Aging and Dementia Care*”

Moderator – Margaret K. Pichora-Fuller, U of T

Discussant – JB Orange, Western

Speakers:

- i. Guthrie, D., Williams, N. & Sutradhar, R. *Screening for Sensory Impairments in Home Care and Long-Term Care Using InterRAI Assessment Instruments.*
- ii. Aubin, G., Al-Yawer, F. Pichora-Fuller, K., Phillips, N., & Wittich, W. *Discrepancy between Behavioral and Self-report Measures of Sensory Status in Older Adults with or at Risk of Dementia*
- iii. Pereira, A., Goy, H., Giguère C., Phillips, N., Al-Yawer, & Pichora-Fuller, K. *The Associations between Pure-Tone and Speech-in-noise Hearing Screening Results are Moderated by Cognition in Older Adults*
- iv. Reed., M., Freedman, M., Frank, A., & Bromwich, M. *Screening for Hearing Loss in Memory Clinic Patients using In-person or Remote Tools*
- v. Orange, J.B., Belfry, S.T., & Basque, S.B. *Feasibility of Telephone-based Screening of Modifiable Risk Factors for the Development of Dementia in Community-Dwelling Older Adults.*

 Chair - Standards and Procedures Review Committee, June 2011- March 2013
 Chair – Secretariat, Oct 2015-Dec 2016

Canadian Council of University Programs in Audiology and Speech-Language Pathology (CCUP-CSD)
 Member, July 2007-Dec 2016; Oct 2021-June 2022
 Chair, July 2014-June 2016

Canadian Inter-Organizational Steering Group for Audiology and SLP – Executive Committee
 Member, July 2014-2016
 Chair, Jan 2015-Dec 2016

Speech-Language & Audiology Canada (SAC)
 SAC Working Group: Informing the National Dementia Strategy
 Academic Member, Feb 2018-May 2018

SAC Representative to Public Health Agency of Canada (PHAC), National Dementia Conference - Inspiring and Informing a National Dementia Strategy for Canada
 May 2018

INVITED PRESENTATIONS - Conferences, Short Courses, Symposia, and Rounds

Regional Geriatric Program of Eastern Ontario – *2022 Geriatric Refresher Day*
 Ottawa, ON, June 2022

Invited Concurrent Session Speaker (Zoom-based) – *Facilitating Person-Centred Communication with Persons Living with Dementia*

Brock University, Department of Applied Linguistics, *Speaker Series*
Zoom-based Presentation – May 2022
Invited Speaker - *Preserving Personhood When Communicating with Persons Living with Dementia*

St. Joseph's Health Care London – SLP Professional Enhancement Day
London ON, Nov 2018
Invited Speaker – *Current and Future Research Trends in Acquired Language and Cognitive-Communication Disorders*

Faculty of Health Sciences - 2017 Research Symposium
London ON, April 2017
Speaker – *The Ontario Neurodegenerative Research Initiative (ONDRI)*

Ontario Brain Institute – Public Talk
London ON, Feb 2017
Invited Co-Speaker – *Dementia Beyond Alzheimer's*

Schulich School of Medicine and Dentistry – Interprofessional Education Grand Rounds
London ON, Dec 2015
Invited Speaker – *SLP IPHE Considerations for the assessment and care of persons with suspected dementia*

Academic Leaders' Summer Conference – University of Western Ontario
Grand Bend ON, June 2015
Invited Panel Co-Speaker (along with Karen Campbell and Hanan Lutfiyya) – *Tips and Tricks from Seasoned Chairs and Directors*

Faculty of Information and Media Studies – Faculty Symposia on *Dementia*
Western University, Jan 2015
Invited speaker – *Communication by persons with dementia: Implications for the media*

Academic Leaders' Summer Conference – University of Western Ontario
Grand Bend ON, June 2014
Invited Panel Co-Speaker (along with Vickie Schwean and Mitch Rothstein) – *Professional Graduate Programs*

Alzheimer Society of Belleville, Hastings and Quinte – *June 2014*
Invited Keynote Speaker – *Effective communication for persons with dementia: The key to optimizing care and personhood*

Canadian Centre for Activity and Aging – *Restorative Care Conference*
London ON, March 2014
Invited Speaker – *Communication Strategies for Persons with Dementia*

Alzheimer Society London and Middlesex Conference – *Navigating the Road Ahead: The Social World of Dementia*
London ON, Nov 2013
Invited Keynote Speaker – *Effective communication to optimize care and personhood*

Alzheimer Society of Thunder Bay – *2013 Northwest Dementia Care Conference*
Thunder Bay ON, Oct 2013
Invited Keynote Speaker – *Effective communication for persons with dementia: The key to optimizing care and personhood*

Academic Leaders' Summer Conference – University of Western Ontario
Grand Bend ON, June 2012
Invited Plenary Co-Speaker (along with Peggy Roffey, Nancy Stewart and Audra Bowlus – Reengaging the disengaged)

Baycrest Hospital Annual Conference – *Discourse in Dementia and Aphasia: Assessment and Treatment*

Toronto ON, May 2012

Invited Speaker - *Discourse in Dementia: Assessment and Treatment*

26th Annual Geriatric Medicine Refresher Day – *A Life Well Lived – Current Issues at the End of Life*

London ON, May 2012

Invited Co-Speaker (along with PhD Student, Barbara Watson) – *Optimizing health care through enhanced communication for individuals with dementia*

Academic Leaders' Summer Conference – University of Western Ontario

Grand Bend ON, June 2011

Invited Workshop Panel Speaker – *Survival tips for new and used academic leaders*

Five Star Audiology Conference – Starkey

Mississauga ON, May 2011

Invited Speaker – *Aging and the Effects of Dementia on Communication*

25th Annual Wisconsin Network Conference on Alzheimer's Disease and Related Disorders

Wisconsin Dells, Wisconsin, May 2011

Workshop Co-presenter (along with Marie Savundranayagam and Rachel Garrett) – *Caregiver communication strategies: Implications for relational outcomes*

Alzheimer Society of London and Middlesex Conference on Caregiving – *Navigating the Road Ahead*

London, ON, Nov 2010

Invited Workshop Co-Speaker (along with PhD Student, Angie South) – *Enhancing communication for individuals with dementia*

Geriatric Medicine Rounds, St. Joseph's Health Care, Parkwood Hospital

London, ON, Nov 2010

Invited Co-Speaker (along with PhD Student, Barbara Watson) – *Strategies to enhance communication with individuals with dementia*

Coordinated Continuing Tele-Medicine Education Program – Weekly Rounds, St. Joseph's Health Care
London, ON, Nov 2010

Invited TeleHealth Speaker – *Strategies to enhance communication with individuals with Alzheimer's disease and related dementias (ADRD)*

7th Annual Forum of The Dementia Network of Haldiman Norfolk

Delhi, ON, Sept 2010

Invited Speaker – *Strategies to enhance communication for individuals with dementia*

Alzheimer Society of Saskatchewan Annual Conference – *Understanding Diversity in Dementia Care*

Saskatoon, SK, Sept 2010

Invited Keynote Speaker – *Enhancing personhood via communication strategies for individuals with Alzheimer's disease and their caregivers*

1st Canadian Stroke Congress – Stroke Rehabilitation Research Day

Quebec City, June 2010

Invited Workshop Speaker – *Stroke-based aphasia: Optimizing language and communication therapeutics*

Academic Leaders' Summer Conference – University of Western Ontario

Grand Bend ON, June 2010

Invited Workshop Panel Speaker – *Faculty performance evaluation and management*

Physician's Continuing Education Program, First Link and Alzheimer Society of Elgin-St. Thomas

St. Thomas ON, Jan 2010

Invited Speaker – *Language and communication: Implications for early differential diagnosis in dementia*

3rd Annual Phonak Conference, *Hearing Care for Adults 2009 – The Challenge of Aging*
 Chicago, IL - Nov 2009, Invited Speaker – *Communication disorders and aging*
 SW Ontario Speech-Language Pathologist Stroke Network Workshop
 London ON – Sept 2009
 Invited Speaker – *Psychometric consideration of aphasia assessment tests*

24th Annual Ontario Psychogeriatric Team Exchange Conference – *The Sky is the Limit*
 London, ON – June 2009
 Invited Speaker – *Let's talk: Dementia and communication*

30th Annual Conference of the Inter-Urban Stroke Academic Association – *Innovations in Stroke Rehabilitation*
 London ON – April 2009
 Invited Plenary Speaker – *Current language and communication therapeutics in stroke-based aphasia*

6th Annual Geriatric Psychiatry Symposium – *Beyond the Building Blocks of Geriatric Psychiatry*
 London ON – Nov 2008
 Invited Workshop Presenter – *Let's talk: Dementia and communication*

Canadian Association on Gerontology – *37th Annual Scientific and Educational Meeting*
 London, ON – 24th Oct 2008
 Invited co-Keynote Speaker – *From Local to Global and Back Again: Issues, Challenges, and Opportunities*

Canadian Institute of Health Research – *Summer Program in Aging 2008*
 Honey Harbour, ON – June 2008
 Invited co-speaker for ½ day session (along with Professors Ellen Ryan and JP Gagné) – *The Importance of Communication in Healthy Aging*

Joseph Brant Memorial Hospital, *Nursing and Rehabilitation Staff Rounds*
 Burlington ON – April 2008
 Invited Speaker – *Conversations among caregivers and individuals with dementia*

Alzheimer Society of Sault Ste. Marie & Algoma District, *Alzheimer Education Conference*
 Sault Ste. Marie ON – March 2008
 Invited Speaker - *Communication and relationships in dementia care*

Alzheimer Society of Kingston, *25th Anniversary Conference*
 Kingston ON – Nov 2007
 Invited Speaker - *Enhancing communication and personhood*

Alzheimer Society of Greater Simcoe County, *10th Annual Dementia Conference*
 Barrie ON - Nov 2007
 Invited Speaker – *Enhancing communication with individuals with dementia*

Health Services, Long Term Care and Seniors Branch, York Health Region
 Newmarket ON – June 2007
 Invited Speaker - *Enhancing communication for individuals with dementia*

2nd International Frontotemporal dementia in ALS Research Conference
 London ON – June 2007
 Invited Speaker – *Language in ALS*

Southwestern Ontario Stroke Strategy, Stroke Workshop for PAC Committee Members in LTC,
Managing Stroke Survivors in Long Term Care
 London, ON – March 2007
 Invited Speaker – *Language and communication with persons with stroke-based aphasia in long-term care facilities*

Neurology Rounds for Residents in Neurology
UWO, London, ON, March 2007
Invited Speaker – *Aphasia: Language and communication issues for neurologists*

Slovakian Association of Logopedics, All-day Workshop
Bratislava Slovak Republic – April 2006
Invited Speaker - *Language and communication in dementia*

Eotvos Loran University, Faculty of Education, School of Phoniatics and Logopedics - International
Invited Lecture Series
Budapest Hungary – April 2006
Invited Speaker - *Language and communication in dementia*

Comenius University in Bratislava, Faculty of Education - International Invited Lecture Series
Bratislava, Slovak Republic – March 2006
Invited Speaker – *Language and communication in dementia*

Alzheimer Society of Toronto Annual Dementia Forum – *Communication and Dementia*
Toronto ON, Dec 2005
Invited Speaker – *Creative communication enhancements for individuals with dementia*

North Bay Psychiatric Hospital Medical Education and Research Conference – *Let's talk about ...
Dementia Care*
North Bay ON, Oct 2005
Invited Speaker – *Enhancing communication with individuals with dementia*

Alzheimer Society of Ontario – 22nd Annual General Meeting and Conference – *Today's Help,
