Kinesiology Honors Module Updates

Effective September 2014 the following changes have been made to all Honors Specialization Modules in Kinesiology (BSc, BA, Sport Management and Fitness & Exercise Prescription

- Students must successfully complete 1.0 4000 level Kinesiology credits prior to graduation
- The maximum number of Kinesiology credits taken in an Honors Specialization has been increased from 11.5 to 12.5 (this includes the two first year Kinesiology courses but not Physiology 1021)
