Year 2 Course Selection

Course Selection Appointment

- Year 2 course selection runs from July 11-14th. You will be assigned an appointment/date and time within this range. Appointment dates & times are generated randomly by the Office of the Registrar and will be available in the Student Centre by July 10th, if you do not receive an appointment contact the helpline on July 10th (519-661-2100).
- You cannot access the registration system prior to your date & time. After that you will be able to make changes as frequently as you would like until July 20th at 11:59 p.m. The system will then shut down and re-open on July 21st.
- On July 21st at 9:30 a.m. constraints lift: providing you have the pre-requisite you can enroll in courses that gave priority to students in other programs i.e. many of the science courses are restricted to Faculty of Science students until the 21st.
- Registration continues until August 21st and then begins again on August 22nd at 9:30 a.m.

Timetable

- The 2017-18 timetable has now been posted. You can access the timetable at https://studentservices.uwo.ca/secure/timetables/mastertt/ttindex.cfm
- Not all courses listed on the academic calendar are offered each year. What is in the timetable is what is being offered.
- For assistance in using the online registration system visit http://www.registrar.uwo.ca/general-information/how_to_guides/step_by_step_guide_to_registration.html
- Draft My Schedule is available in the Student Centre (under Western Links) to assist you in planning your schedule.

Kinesiology Course Descriptions

- Updated Kin course outlines are being loaded on the Kin website http://www.uwo.ca/fhs/kin/undergrad/modules/courses.html

If You Receive Error Messages While Enrolling in Courses:

1) Check your Eligibility (year, degree, module)
2) Check for pre-requisites
3) Check “Notes” for access information
4) Balanced Load - the online system will be checking for a balanced selection [same number first term as second term]. You will not be able to complete course selection if you have an imbalanced load.
5) If after checking all of the above you still have enrollment problems please call the helpline 519-661-2100
Required Courses

- BA (Honors & Major) – Kin 2222a/b, Kin 2230a/b, Kin 2241 a/b and 1.0 activities (2.5 credits)
- BSc – Anatomy 2221, Kin 2230a/b, Kin 2241 a/b and 1.0 activities (3.0 credits)
- We have developed module checklists that you can input your courses and save for future reference. The checklists will also assist you in planning ahead for future years. You can access the checklists at [http://www.uwo.ca/fhs/kin/undergrad/modules/index.html](http://www.uwo.ca/fhs/kin/undergrad/modules/index.html)

Course Selection Tips

- Kin 2222, 2230 and 2241 are taught in both terms, you need to only register in each course once. It is recommended that you do not take all three in the same term.
- Enroll in 5.0 courses during your course selection appointment and then use the swap feature to trade for courses as they open up to you.
- You cannot take two activities in the same quarter
- Look ahead to senior kin courses to see if there are any second year pre-requisites you need to take
- Stats requirement – Stats 1023, 1024 or 2037 can all be used to complete your 0.5 stats requirement. Of the three Stats 1023 is the least recommended as it doesn’t provide you a strong background for Kin 2032 Research Design (mandatory prior to graduation). Stats 1024 requires a Gr 12 Math credit, 2037 (Stats for Health) requires only a Gr 11 math credit.
- Honors students can take a max of 12.5 Kin credits prior to graduation; it is important you balance your electives and Kin courses each year. It is recommended that you take no more than 3.5 Kin credits in year 2.
- Arts/Category B Requirement – Courses from the following areas can be used to complete your Category B Requirements: Classical Studies, Comparative Literature and Culture, Film Studies, Italian Studies, Philosophy, Religious Studies, Speech, Theological Studies, Visual Arts History, Visual Arts Studio, Women’s Studies, Writing as well as Language courses
- Essay Requirements – prior to graduation you must complete 2.0 essay designated credits (courses ending with F, G or E) of which at least 1.0 must be at the 2000 level or above. If you complete an Arts course or a Kin course that is essay based it can count towards both your Essay and your Breadth/Kin requirements.
- If you have a particular professional program you wish to apply for consider completing the pre-requisites as elective options. For information on professional programs and pre-requisites visit [http://www.uwo.ca/fhs/kin/undergrad/after_grad/index.html](http://www.uwo.ca/fhs/kin/undergrad/after_grad/index.html)

Below are examples of how to balance your course load, these are meant to act as a guide. Although you must register for the mandatory courses for your module you have flexibility as to what term you take them in and what your elective choices are.

Western HealthSciences
School of Kinesiology
Activity Courses
- You cannot select two activities in the same quarter. (Q = September & October, R = November & December, S = January & February and T = March & April)

External Electives with Spaces Reserved for Kin Students
- Biochemistry 2280a - BSc Honors Specialization Kin have been added to the priority
- Microbiology 2500 - there are 85 spots available in each of the first and second term sections for students in Years 2-4 of any module (would include Kin students)
- Pharmacology 2060 - 30 spaces have been reserved for BSc Kin

*Please note reserved spaces in Science/Medical Science courses until July 20th at midnight.*

CPR Requirement
All year 2 students must submit current certification of Standard First Aid and CPR Level C by April 30, 2018. Failure to submit by due date will require that you transfer out of the School of Kinesiology.
