<p>Clinical instructors will be required to attend mandatory orientation sessions for the course and a post-course debriefing session. The orientation sessions will be held during the first week of Sept 2016. In addition, clinical instructors will comply with agency mandated orientation and requirements that may include online and in class orientation. Successful candidates will be provided with these details in the Recommendation for Hire letter which accompany the contract from the Dean's office. Times of the day and week are subject to changes in the academic timetable.</p>
