

SHS Research & Graduate Student Opportunities Event

March 28th 4:30-6:30pm

Are you interested in Grad School?

What: Faculty affiliated with the School of Health Studies and Faculty of Health Sciences are coming together to briefly share about their research programs, graduate student projects, potential projects for incoming graduate students, and answer your questions.

When: Tuesday, March 28th from 4:30 to 6:30 p.m
(Light refreshments will be provided)

Where: HSB room 240

Who should attend: SHS Students!

This is an ideal event for anyone thinking of pursuing graduate level studies upon graduation, and
EVERYONE IS WELCOME!
