The University of Western Ontario  
School of Health Studies  

Health Sciences 3400A  
Health Policy

Instructor: Dr. Sandra Regan, RN, PhD  
Email: sregan4@uwo.ca  
Phone number: 519-661-2111 ext. 86574  
Office: Health Sciences Addition, School of Nursing, Room H25  
Office Hours: Wednesday 10:00 am to 12:00 pm

Teaching Assistants: TBA  

Lecture Times: Thursday 2:30 pm to 5:30 pm

Class Location: Natural Science Building Room 1

Prerequisite Checking

Pre-requisite: Health Sciences 1001A/B and Health Sciences 1002A/B; or the former Health Sciences 1000.

Requirements:

a. Successful completion of Health Sciences 1000 or Health Sciences 1001A/B and Health Sciences 1002A/B  
   Written consent obtained from the Dean of Health Sciences to enroll in Health Sciences 3400A – Health Policy

Unless you have either the requisites for this course or written special permission from your Dean to enroll in it, you may be removed from this course and it will be deleted from your record. This decision may not be appealed. You will receive no adjustment to your fees in the event that you are dropped from a course for failing to have the necessary prerequisites.

Course Information

Calendar Description  
An examination of the process, outcome and implementation of health policy with a specific focus on Canadian health policy. Key issues to be addressed include the development of policy, the various actors involved in the health policy process; the different arenas where health policy is created, the various policy instruments and how these are implemented and evaluated.
Course format
This course will use a variety of activities including:
  a) traditional didactic teaching (lecture)
  b) small group and individual work
  c) online discussion groups
  d) guest speakers

Students are expected to come to class prepared, i.e., having read the assigned chapter readings, articles and/or relevant course material. Attendance and participation in class and online is expected.

OWL- Sakai
OWL will be used for posting readings, for small group discussions, and course related questions. Students are responsible for checking OWL regularly to ensure updated access to relevant course material and/or any changes to the course schedule. Any additional course material or assignments will be posted on OWL. For example, media and other reports with relevance to health policy will be posted prior to class.

In no manner should any communication posted or sent to OWL be recorded, disseminated or distributed via other means such as social networking sites. In no manner should any communication posted or sent to OWL, recorded, disseminated or distributed via other means.

**Emails to the course faculty and teaching assistants will occur in OWL only.** Email should be used to book appointments and individual concerns. Email should not be used for course questions (see below). Should you need to contact course faculty by email (outside Sakai) please ensure you use your “uwo” email as all other emails will be directed to “junk email” folder and you will not receive a response. Only urgent/emergency emails should be sent outside of OWL.

**Technical Difficulties with OWL -** Should there be difficulty accessing OWL, please contact Instructional Technology Services (ITS) at 519-661-3800. Please obtain a Problem Report Number to provide to the course instructor.

In no manner should any communication posted or sent to OWL be recorded, disseminated or distributed via other means such as social networking sites. In no manner should any communication posted or sent to OWL, recorded, disseminated or distributed via other means.

Course Questions
In OWL, Forums have been created for each week of the course. Students should post questions regarding course content to the appropriate week in OWL. Teaching assistants and course faculty will respond to posted questions. Students are also encouraged to respond to questions to facilitate learning and share their own insights on course content.

Weekly office hours are Wednesdays from 10:00 am to 12:00 pm. These are drop-in (first come, first served).
Course Materials

Required Textbook:
The textbook has been ordered and is available in the UWO Bookstore. One copy is on course reserve in the Taylor Library.

Required Readings:
A selection of required readings or links to readings will be posted on OWL on a weekly basis — in Weekly Readings & Lecture Notes. These readings include relevant peer-reviewed articles, health policy reports, media reports, and websites. These readings will complement the weekly topic and textbook readings. Several readings will be assigned from the following publication:

**NOTE:** I recommend you download a copy to your computer rather than print in its entirety as only some chapters from this document will be assigned readings.

Lecture Slides
Lecture slides from the course instructor will be posted in OWL the day of class in Weekly Readings & Lecture Notes. The lecture slides will be made available in PDF format, one slide per page. Presentations from the guest speakers may not always be available and posted on OWL. It is at the discretion of the guest lecturer whether he/she decides to make his/her PowerPoint slides available to the students. In such instances, the published articles and your own notes are the best reference.

Evaluation

Individual Assignment - 15%
Online/in-class Participation - 10%
Midterm Exam - 30%
Final Exam - 45%

A minimum of 50% is required to pass the course. A mark of less than 50% will lead to failure of the course.

The university-wide descriptors of the meaning of letter grades and approved by Senate are outlined as follows:

- **A+ 90-100** - One could scarcely expect better from a student at this level.
- **A 80-89** - Superior work which is clearly above average.
- **B 70-79** - Good work, meeting all requirements, and eminently satisfactory.
- **C 60-69** - Competent work, meeting requirements.
- **D 50-59** - Fair work, minimally acceptable.
- **F below 50** - Fail.
Individual Assignment

The assignment is an individual assignment. Students will select a health policy issue and answer questions regarding the issue. Several health policy issues will be posted in OWL and individuals will select one topic to work on for this assignment – students must sign-up for their selected topic. Students will respond to several questions related to their chosen health policy issue including the historical context of the issue, role of government and factors that have shaped and influenced the issue. Details will be provided in class and posted in the Assignment and Online Discussion Resources tab in OWL. **Due November 12 at 5:00 pm.**

The assignment is to be submitted prior to or on the due date electronically via the Assignment Submission tab in OWL. Please submit your assignment in Microsoft Word document format only. A deduction of 10% will be made for assignments not submitted in Word. A paper copy of the assignment may also be required at the discretion of the instructor or teaching assistants.

Marking of Written Assignment
The written assignment will be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the UWO for the detection of plagiarism (Turnitin). All written work submitted for such checking will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently submitted to the system. Use of the service is subject to the licensing agreement, currently between the UWO and Turnitin.com ([http://www.turnitin.com](http://www.turnitin.com)).

Late Assignments
A late assignment will be penalized 10% for each part or full day, subsequent to the due date. For example, for a paper out of 15 marks, 1.5 marks per day will be deducted from the assigned mark. No assignments will be accepted after one week.

Participation Marks
Participation marks are earned through online and in-class activities. Only those activities that the student participates in will be eligible for marks.

Each student will be assigned to a group of five to six students for four (4) online discussions. In OWL Forums, a discussion area will be provided for each small group. The small group online discussion will be based on posted readings, questions, or case studies. Criteria for evaluation of online discussion will be posted in the Assignment and Online Discussion Resources tab OWL.

Exams
Mid-term Exam
This will be held in class on **October 16th at 3:00 pm.**
The duration is a maximum of 90 minutes.
The format of the exam will consist of a combination of:
a) multiple choice questions
b) true or false questions
c) matching questions
The mid-term exam will be based on lectures, readings, and guest speakers from September 4th to October 9th inclusive.

**Final Exam**
This exam will be held in December during the university examination period December 6-17, 2014. The date, time and location will be confirmed and announced in class and posted on OWL (Sakai).

The format of the 2.5 hour final exam will consist of a combination of
a) multiple choice questions
b) true or false questions
c) matching questions

This exam will cover the entire course content (lectures, readings, and guest speakers) from September 4th, 2014 to November 27th, 2014 inclusive.

Examination conduct of students will be in accordance with the UWO policy on Administration of Examinations as found at:
http://www.uwo.ca/univsec/handbook/exam/administration.pdf

Students are not permitted to retain a copy of the mid-term or final exam questions. Computer-marked multiple-choice tests and/or exams may be subject to submission for similarity review by software that will check for unusual coincidences in answer patterns that may indicate cheating, a Scholastic Offence.

The consequences of cheating or plagiarism will be in alignment with the Preamble on Scholastic Discipline for Undergraduate Students at the University of Western Ontario as found at http://www.uwo.ca/univsec/handbook/appeals/scholastic_discipline_undergrad.pdf. Scholastic offences are taken seriously and students are directed to familiarize themselves with the definition of a Scholastic Offence in accordance with the UWO Policy on a Scholastic Offence as found at: http://uwo.ca/univsec/handbook/appeals/scholoff.pdf.

If you have missed an exam, it is important that you notify the Academic Counsellor. If you have missed an exam due to medical illness, you must provide sufficient written documentation of your illness as indicated in accordance with the Policy on Accommodation for Medical Illness – Undergraduate Studies: http://www.uwo.ca/univsec/handbook/appeals/medical.pdf and also in accordance with the Policy on Accommodation for Medical Illness as found at: https://studentservices.uwo.ca/secure/index.cfm

**Statement on Use of Electronic Devices**

Cellular phones and other similar devices **must be turned off** during lecture periods. Web surfing and emailing during lecture is not permitted. Video, webcam, photo or voice recordings of the instructor, or the teaching assistants are prohibited. Discovery of any of such occurrences
may lead to dismissal from the lecture and confiscation of the cellular phone, pager, video, webcam, laptop or photo or voice recording equipment.

**ADDITIONAL STATEMENTS**

**Student Code of Conduct**

The purpose of the Code of Student Conduct is to define the general standard of conduct expected of students registered at The University of Western Ontario, provide examples of behaviour that constitutes a breach of this standard of conduct, provide examples of sanctions that may be imposed, and set out the disciplinary procedures that the University will follow. For more information, visit [http://www.uwo.ca/univsec/board/code.pdf](http://www.uwo.ca/univsec/board/code.pdf).

**English Proficiency for the Assignment of Grades**

**Accommodation for Medical Illness or Non-Medical Absences**

The University recognizes that a student’s ability to meet his/her academic responsibilities may, on occasion, be impaired by medical illness. Illness may be acute (short term), or it may be chronic (long term), or chronic with acute episodes. The University further recognizes that medical situations are deeply personal and respects the need for privacy and confidentiality in these matters. However, in order to ensure fairness and consistency for all students, academic accommodation for work representing 10% or more of the student’s overall grade in the course shall be granted only in those cases where there is documentation indicating that the student was seriously affected by illness and could not reasonably be expected to meet his/her academic responsibilities.

A UWO Student Medical Certificate (SMC) is required where a student is seeking academic accommodation. This documentation should be obtained at the time of the initial consultation with the physician or walk-in clinic. An SMC can be downloaded under the Medical Documentation heading of the following website: [https://studentservices.uwo.ca/secure/index.cfm](https://studentservices.uwo.ca/secure/index.cfm).

Documentation is required for non-medical absences where the course work missed is more than 10% of the overall grade. Students may contact their Faculty Academic Counselling Office for what documentation is needed.

Whenever possible, students who require academic accommodation should provide notification and documentation in advance of due dates, examinations, etc. Students must follow up with their professors and their Academic Counselling office in a timely manner. Documentation for any request for accommodation shall be submitted, as soon as possible, to
the appropriate Academic Counselling Office of the student’s Faculty of registration. For BHSc students, you may go to the School of Health Studies Office in HSB room 222.

**Scholastic Offences**

Scholastic offences are taken seriously and students are directed to read the appropriate policy, specifically, the definition of what constitutes a Scholastic Offence, at the following website: [http://www.uwo.ca/univsec/handbook/appeals/scholastic_discipline_undergrad.pdf](http://www.uwo.ca/univsec/handbook/appeals/scholastic_discipline_undergrad.pdf).

Additionally,

1. All required papers may be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the University for the detection of plagiarism. All papers submitted for such checking will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently submitted to the system. Use of the service is subject to the licensing agreement, currently between The University of Western Ontario and Turnitin.com ([http://www.turnitin.com](http://www.turnitin.com)).

2. Computer-marked multiple-choice tests and/or exams may be subject to submission for similarity review by software that will check for unusual coincidences in answer patterns that may indicate cheating.

**Support Services**

There are various support services around campus and these include, but are not limited to:

1. Student Development Centre -- [http://www.sdc.uwo.ca/ssd/](http://www.sdc.uwo.ca/ssd/)
