

USC celebrates the best in the classroom

APRIL 2, 2015 BY ADELA TALBOT

Adela Talbot // Western News

Left to right, French professor Sebastien Ruffo, Chemistry professor Felix Lee, English and Writing Studies professor Larry Garber, French professor Mario Longtin and Chemistry professor Mark Workentin were honoured for their classroom excellence Monday night during the University Students' Council Awards ceremony. The five were named recipients of the 2014-15 University of Western Ontario Award of Excellence in Undergraduate Teaching, an honour co-presented by the USC, The Bank of Nova Scotia and Western's Alumni Association.
