- to maintain and improve the existing harmonious relations and settled conditions of employment,
- to promote the morale, well being and security of all members in the bargaining unit,
- to encourage efficiency in operation, and
- to secure prompt and equitable disposition of grievances arising out of the administration of this Agreement.

1.02 Where the singular is used in this agreement, it shall be considered as if the plural has been used where the context or the party or parties hereto so require.

NOW THEREFORE, THE PARTIES AGREE AS FOLLOWS:

Article 2 – RESERVATION AND CONTINUATION OF MANAGEMENT FUNCTIONS

- 2.01** The Union recognizes that the management and direction of the working forces are fixed exclusively in the Employer and shall remain solely with the Employer except as specifically limited by the express provisions of this Agreement, and without restricting the generality of the foregoing, the Union acknowledges that it is the exclusive function of the Employer to:
- (a)** maintain order, discipline and efficiency;
 - (b)** hire, assign, retire, discharge, direct, promote, demote, classify, transfer, and suspend or otherwise discipline members, provided that if a temporary employee whose seniority exceeds 1040 hours, a part-time employee whose seniority exceeds 1040 hours, or an employee claims he/she has been discharged or disciplined without cause, a grievance may be filed and dealt with in accordance with the Grievance Procedure;
 - (c)** layoff and recall, provided that any member claims he/she has been improperly laid off or recalled, a grievance may be filed and dealt with in accordance with the Grievance Procedure;
 - (d)** determine the machinery and equipment to be used, the methods and techniques of work, the standards of performance, the schedules of work and number of personnel to be employed;
 - (e)** establish, enforce and alter from time to time rules and regulations to be observed by the members. Members will not be disciplined unless they have either been informed

orally or in writing of these rules and regulations or ought reasonably to know these rules and regulations.

- 2.02** The Employer's right to exercise the management function in this Article is subject to the provisions of this Agreement.
- 2.03** The Employer and the Union agree that in accordance with the Ontario Human Rights Code, there shall be no discrimination or harassment in the application of the provisions of this Agreement because of race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, sexual orientation, age, marital status, family status, handicap or any other prohibited grounds that may be established in the Code.
- 2.04** The Employer and the Union agree that there shall be no discrimination in the application of the provisions of this Agreement by reason of the member's membership/non-membership or activity/non-activity in the Union, or by the member's exercise of any provision or right under this Agreement.

Article 3 – NON DISCRIMINATION AND HARASSMENT

- 3.01** The Employer and the Union are committed to a working and learning environment that allows for full and free participation of all members of the institutional community. - (b) It is expressly understood by both Parties that during the probationary period an employee, sessional or part-time employee shall be considered as being employed on a trial basis, and may be discharged in the sole discretion of the Employer, provided that such termination shall not be exercised in a manner which is arbitrary, discriminatory or in bad faith.

- 5.02** Where individuals in a labour dispute, other than those in the bargaining unit, engage in a strike and maintain picket lines, and where members of the bargaining unit could suffer personal harm, the Employer will endeavour to safeguard them.
- 5.03** Members have the right to decline to perform the normal duties of striking or locked out employees of the employer during a legal strike by another bargaining unit of employees of the employer or during any lockout of any other bargaining unit by the employer.

APPENDIX B – Maintenance Trades Division Altered Work Week Policy

Facilities Management employees and management have developed a combined staggered and compressed work week format that will allow an employee to select his/her starting time and to enable additional days off during the normal work week. The following are the guidelines and regulations that have been agreed to for the implementation of the scheme:

1. This is a mutual agreement that can be withdrawn by either group if either the community or personnel are adversely affected.
2.
 - a) Starting times shall be 6:30, 7:00, 7:30, 8:00, 8:30 and 9:00 a.m.
 - b) Quitting times shall be 3:00, 3:30, 4:00, 4:30, 5:00 and 5:30 p.m.
 - c) The term standard working day shall mean 8:00 a.m. - 4:30 p.m.
 - d) Unpaid meal periods and paid rest breaks shall be based on assigned shift schedule.
3.
 - a) Statutory holidays will be scheduled as an 8 hour day.
 - b) Sick and compassionate leave will be charged on the basis of the time pattern the employee is working. i.e., if the employee would have worked a nine hour day, his/her leave would constitute a 9 hour charge against his/her sick and compassionate leave allowances. (See Clarification below)
 - c) In the event of a job related accident, i.e., compensation, the employee's credit is frozen until his/her return to work. (See Addendum)
4. The planned work day shall consist of exactly 8, 8.5 or 9 hours.
5. Each employee wishing to vary their daily working hours from the standard 8:00 a.m. to 4:30 p.m. period shall submit his/her monthly proposed schedules on the 15th of the month for approval.

6. The supervisor on receipt of the proposed work schedules will assess the total hours available for each day of the coming month and assure that the commitments of the shop can be met.
Based on his/her evaluation, the proposed schedules may be accepted, modified or refused in order to assure "8:00 to 4:30" coverage of all the necessary trades services.
7. Management reserves the right to change hours due to sick absences, and other factors not within their control, on 48 hour notice.

GENERAL

- a) The total number of hours that the employee elected to work during a given month will be compared to the "Facilities Management Required Hours".
- b) In the case where the employee is in a deficit position, he/she will be allowed to carry this deficit until it has reached 8 hours. At this point the deficit must be eliminated by working either additional hours (to a 9 hour day maximum) or an extra 8 hour day.
In the case where an employee wishes to build up surplus hours for use as an extended time off, this will be pre-planned with the proposed days off being specifically designated.
- c) The above hours will not affect short/over time hours and shall be considered as a separate entity.

Clarification of 3B - April 1, 1979

During the month an employee is off, sick time is to be charged as per approved schedule submitted for the remainder of that month.

If sickness of periods 1 week or longer from the current month continues into the next month, the altered work week reverts to the normal 8-hour day until the following week after return to work.

Approval must be obtained from the supervisor to revert to the previously submitted altered work week schedule.

Addendum

When an employee is absent due to a lost time accident and is operating under the trades altered work week plan, for the balance of the week in which the lost time accident occurred, we honour the altered work week hours as submitted. This would mean recording "lost time days" at nine hours, two hours to 25% compensation, seven hours to 75% compensation where applicable. If the employee did not return to work on the Monday following the date of the accident, then that week would be recorded as a normal 40 hour week, 8 hours per day. Further, that week would continue as a normal 40 hour week for any balance worked, such as a return on a Wednesday or Thursday. Having returned to work part way through the week following the accident, the next week would revert to the submitted altered work week pattern.

APPENDIX H – Union Leave of Absences

Letter of Understanding

Between

The University of Western Ontario and

Canadian Union of Public Employees, Local 2361

Re: Union Leave of Absences

In order to ensure that both parties are enabled to meet their respective operational and personal development requirements both parties agree that further to Article 35.04 the following will also be attended to while determining a request for Leave of Absence for the purposes of Union National assignments outside the University.

If an employee wishes a leave of absence to complete a work assignment with the CUPE National Union outside the University they will,

1. Request a Leave of Absence in writing to their supervisor providing as much notice as possible with no less than twenty-one (21) days notice from time of request to date of leave to commence.
2. The Leave will be for a time frame of no less than six (6) consecutive months to a maximum of two (2) years. Should an employee be on an approved leave, an extension of the leave maybe requested. The extension request will be for a minimum of two (2) months and will not exceed the maximum time allowed.

3. That no more than two (2) employees from CUPE local 2361 may be on a leave under this provision and/or Article 35.04 at the same time.
4. Further to the previous provision, no more than one (1) employee may be away at any one time from any one work group.
5. That during the leave the University will continue to pay the employee their regular wage and benefits (except vacation) that they are entitled to with the CUPE national reimbursing any and all costs associated with this to the University in a timely manner. This is course dependent on the National giving their approval for such payment and if such approval is not forthcoming the leave of absence would be granted without pay and benefits continuing.
6. Further to point five (5) and regardless if the leave is paid or unpaid the employee will not be covered by our Short Term Disability, Long Term Disability and/or WSIB coverage and/or claims that may arise out of the work or assignments completed during the Leave of Absence.

All requests for leaves will be reviewed and will be granted if operational requirements allow such leave.

APPENDIX J – Letter of Understanding – Skilled Trades Expanded Qualifications

Letter of Understanding

Between

The University of Western Ontario and

Canadian Union of Public Employees, Local 2361

Re: Skilled Trades Expanded Qualifications

Due to the changing nature of the Skilled Trades at the University employees in the skilled trades group will be asked to take on an expanded qualification within their position. In recognition of this requirement, the parties agree to establish a premium payable to employees whose positions have been assigned an expanded qualification for their role.

To be eligible for payment of the premium, an employee must hold a valid certificate(s) of qualification in a certified trade under the Trades Qualification and Apprenticeship Act or a legislated certificate that the university designates. (See attachment)

The University will assign eligible positions to an expanded role at their discretion. The attachment outlines the levels however if a trade licensing requirements change in the future the University reserves the right to review the need to maintain the expanded role in the trade area and will notify the union of any changes required due to a change in this area and is not subject to the grievance procedure. The employee must also maintain the certification as required in order to receive the premium.

Current employees if they have not already received the certification will be offered the opportunity to do so and thus receive the appropriate rate when they have successfully completed and continue to maintain the certification. However future hires will be required to gain the certification required for the position within a specified length of time from their date of hire or they will be terminated by the University.

The parties agree that this agreement amends the Collective Agreement.
