

Dear Treating Practitioner:

The University of Western Ontario is committed to supporting employees experiencing occupational and non-occupational illness and injury.

Our Transitional Accommodation Program utilizes a collaborative, proactive approach to assist employees to safely remain at work or to return to work in a timely manner.

We will make every effort to provide modified hours and/or duties where possible and we have a number of on-site resources to support this goal.

We request your assistance with the accommodation process. Please complete the enclosed Functional Accommodation Form and return it to Rehabilitation Services as soon as possible.

Thank you for your assistance.
