International Community Support at Western

for Spouses, Partners, and Families of International Students

“I helped me to have more self-confidence for speaking English.”

“It is one of the best platforms for spouses to make networks.”
Tea and Information Session for Spouses and Partners of International Students

A chance for spouses and partners of international students at Western to gather bi-weekly.

Our Tea and Information Sessions will give spouses and partners of international students the opportunity to meet and get to know new people, practice their English skills, learn about Canadian culture, share knowledge, culture, and skills as well as discuss topics related to international families and living in Canada.

IESC Programs and Services

IESC also offers the following programs and services to spouses and partners of international students:
