How important are marks?

What courses should I take?

Does it pay well?

Why is a career in research fun?

Do you get to travel a lot?

Aren't scientists geeks?
What do you wear to work?

What do your friends do?

How do I choose a university?

When did you get your first real job?

What would you have done if you didn't do research?

The 2011 High School Student Lecture was brought to you in partnership with:
