

Cycle Safe Bicycle Locker Rentals – Contract

Rental Periods

Locker rentals are available for four (4), eight (8), or twelve (12) month terms. All rental periods expire on the last day of the arranged rental period at midnight. Renters who wish to renew their contracts must notify the Parking Office of their desire to do so and provide payment at least two (2) weeks before the end of the rental period; failure to do so may result in the rental of the locker to another person at the conclusion of the rental term.

Terms and Conditions

Renters are required to provide a refundable \$100 key deposit, in addition to their rental fees, before they obtain their locker key. Lockout situations should only be addressed through the Campus Community Police Services. This service is available 24hrs/day, 7 days/week.

Renters must notify the Parking Office promptly should they lose their locker key. An additional \$100 deposit must be provided before the renter will receive his/her replacement key, which may require one business day to replace.

It is the responsibility of the locker renter to clean out his/her locker and return all keys issued to the Parking Office by the expiry date in order to recover the full deposit. The key deposit refund is instant if applied to credit or debit card. Cheque refunds take up to 20 business days to process. If the renter is unsure of the expiry date of the locker rental, it is his/her responsibility to confirm it with the Parking Office.

After the last day of the rental period, if any keys issued have not been returned and the renter has not renewed his/her contract, any items not removed from the locker at the end of the rental period may be required to be claimed from the University's Lost and Found at the Campus Police office. The renter will only receive his/her full deposit upon return of keys issued.

Locker rental fee refunds are subject to a \$25 administrative fee.

The University of Western Ontario assumes no responsibility for damage or loss to bicycles however caused while on University property. Losses, damage should be reported to Campus Community Police Services.
