

Effective September 1, 2017, Parking Services is changing the process of how Core permits are administered.

What's Changing?

Permits for Core lots will only be sold on an annual basis.
Due to high demand for Core spaces, monthly and 4 month term permits will no longer be available.

When is this effective?

These new changes go into effect **September 1, 2017**

What does it mean for me?

Save time! Annual permits, paid for by continuous monthly payroll deduction, are automatically renewed each year which means you do not have to visit the Parking office or renew your permit online. It's all done for you!

Save money! Save 10% on the price of your annual permit by signing up for payroll deduction.

Don't be Disappointed! Permit holders who cancel their permits will be placed back on the wait list until a space becomes available.

Don't forget! Permit holders still wishing to pay for permits by credit card need to renew prior to September 1, 2017.

At this time, Core permits cannot be renewed online. Renewals will need to be done through the Parking office.
