The Duties Specification Agreement provides the Graduate Teaching Assistant (GTA) with the expectations of the Course Supervisor and the hiring department. This agreement specifies the types of duties to be performed by the GTA, and estimated number of hours attributable to each of those duties. Performance of these duties is required to honour the contract between the GTA and the employer. By signing below, the GTA confirms that she is available to perform these duties in full.

According to Article 17 of the GTA Collective Agreement, a full GTAship should average 10 hours of work per week and a half GTAship should average 5 hours of work per week for the period of employment, adjusted accordingly to encompass the entire term (see the academic calendar for appropriate dates). It must however be recognized, by both the GTA and the Course Supervisor, that the 10-hour-per-week limit is only a guideline.

Estimation of the time to fulfill the duties indicated below should give consideration to factors such as the number of students, the format and number of assignments, essays, reports, tests and/or exams, and the amount of marking required for assignments, essays, reports, tests and/or exams. Attach a course outline to this Duties Specification Agreement.
