

Graduate Studies Open House

Thursday, January 12, 2012

1 pm - 4 pm

UCC Atrium

The University of Western Ontario

Are you thinking about earning an MSc or PhD degree in a medical sciences program? Our open house will provide you with information on:

- Program Requirements
- Application and Admission Processes
- Research Themes
- Funding Opportunities
- Student Support and Services

You will have the chance to meet researchers and students from a variety of medical science graduate programs offered at the Schulich School of Medicine & Dentistry.

Come find out Why Western, Why Graduate Studies, Why Schulich.
