*From 2000-2005 inclusive, statistics were based on the number of Occurrence Reports. Starting on January 1, 2006, Campus Police statistics are based on Officer Activities. Shaded cells represent statistics that have been grouped as an Activity versus specific classification of report. In 2010, further changes were made to incident classifications, with some occurrences being regrouped and others discontinued.

**Incident Statistical Report
Annual Comparison for 2000 through 2010**
