Building(s) Affected: #1  #2   
 #3  #4

Areas/Rooms Affected, Alternate Route/Service:  
 All existing gated and kiosk lots on Western University Campus to have existing island gate equipment and hardware removed and replaced with new T2 infrastructure. Misc civil work is also required for each individual location, such as lane asphalt removal / replacement, minor concrete island or curb repair, complete removal of deteriorated concrete islands, form-pour of new concrete islands, bollard installation, trenching.

Service to be interrupted: #1  #2   
 #3  #4

Description/Reason for Project:  
 Replacement of parking lot entry-exit equipment and gate infrastructure, supply and field install of new T2 parking equipment in same locations. Work to be completed in small phases, and no lot is expected to be closed at any specific time. Lot visitors and permit holders to be directed into and out of lots via temporary flagged detours. Each gated location is unique regarding civil scope. Service Interruptions for smaller phases will be issued ahead of planned work in the individual lots. New equipment to be installed on existing islands and bases.
