Print Form

Date of Interruption/Closure **Revised: Aug 8 - 30, 2016**

Time(s): 7:00am to 5:00pm

Building(s) #1 Dental Science Building (DSB)

#2 Robarts Research Institute (RRI)

Affected:

#3 Natural Science Centre (NSC) Loading dock access.

#4 Health Sc Addition (HSA)

Areas/Rooms Affected Alternate Route/Service:

The road leading to Dental Circle from Perth Drive will be restricted by construction activities. See attached map.

Service to be interrupted: #1 Road restrictions. (single lane access).

#2 South sidewalk closed as required. (used north sidewalk).

#3

#4

Description/Reason for Project:

This project will be installing 4-5" ducts encased in concrete to make available 4160 volt feeders from the North Substation to support future loads on the East side of Campus. Cable installed in this phase will support future East Substation maintenance activities by providing alternate sources of supply to existing loads during those times when the East Substation is taken off line for maintenance.
