Building(s) Affected: #1  #2   
 #3  #4

**Areas/Rooms Affected Alternate Route/Service:**  
 The far end of the sidewalk from Exit 4 from Stair 3 will require care and caution as it leads around the construction fence. Access is still functional but is slightly altered. Two parking spaces will also be taken out of service by the need to fence off the construction area. Maps are attached to indicate the affected exit and parking spaces.

Service to be interrupted: #1  #2   
 #3  #4

**Description/Reason for Project:**  
 Excavation equipment will be working in this location to construct new 28kv high voltage duct structure leading to and from the South Substation.
