Date of Interruption/Closure:  Time(s):

Building(s) Affected: #1  #2   
 #3  #4

Areas/Rooms Affected Alternate Route/Service:  
 Buildings fed from Western's southern water main. Primarily WSRC, TRAC & TEB.

Service to be interrupted: #1  #2   
 #3  #4

Description/Reason for Project:  
 Part of City of London watermain replacement project.  
 Isolation of Western's south watermain to allow connection to the new city watermain.  
 This does NOT shutdown water to any bldg. It eliminates the 'loop' of our watermain grid resulting in a single feed situation, and possible slight loss of pressure.
