Date of Interruption/Closure: December 8 & 9

Time(s): 7:00am to 4:00pm

Building(s) Affected:
#1 UNIVERSITY COMMUNITY CENTRE (UCC)
#2
#3 Western Student Services Building
#4

Areas/Rooms Affected Alternate Route/Service:
West Service Lane as it approaches the UCC loading dock. See the attached map.

Service to be interrupted:
#1 Loading Dock
#2
#3 Roadway
#4

Description/Reason for Project:
The West Substation Expansion Project will be receiving equipment deliveries via transport truck and trailer. A large crane will arrive on site prior to the equipment to off load as the equipment arrives. Several loads will be arriving throughout the day that will impede access to the loading dock while the trailer is backed into the construction site. Truck and trailers are to be staggered such that one truck and trailer at a time will be on site to limit road restrictions.
