

## **UROGYNAECOLOGIST DEPARTMENT OF OBSTETRICS & GYNAECOLOGY**

Applications are invited for a full time position to practice in the area of Urogynaecology and Reconstructive Pelvic Surgery in the Department of Obstetrics and Gynaecology, Schulich School of Medicine & Dentistry, The University of Western Ontario. The Department of Obstetrics and Gynaecology is an academic department fully immersed in a range of educational and research programs and providing women's health care for London and the surrounding Southwestern Ontario region. The successful candidate will be one of three specialists providing urogynaecological care at St. Joseph's Health Care and London Health Sciences Centre.

Rank will be determined by experience and qualifications at the time of the appointment. This is a Clinical Academic appointment and candidates must hold an MD degree or equivalent, specialty certification in Obstetrics and Gynaecology by the Royal College of Physicians and Surgeons of Canada or equivalent, be eligible for licensure in the Province of Ontario, and have completed additional training in urogynaecology, in particular pelvic floor reconstruction and minimally invasive urogynaecological procedures. The successful candidate's practice need not be limited to urogynaecology and consideration will be given to the candidate's interests in other areas of Gynaecology.

Interested individuals are requested to send a current curriculum vitae and three letters of reference to:
