

Clinical Academic Faculty Position  
Department of Paediatrics, Division of Gastroenterology  
Schulich School of Medicine & Dentistry  
The University of Western Ontario

The Department of Paediatrics, Children's Hospital, London Health Sciences Centre, The University of Western Ontario, London Ontario, Canada, is seeking a fully certified Paediatric Gastroenterologist. The successful candidate will hold a full time clinical academic appointment, salary and rank will be determined by experience and qualifications at the time of appointment. Candidates must hold an MD or equivalent and be eligible for licensing in the Province of Ontario. Specialist certification in Paediatrics through the Royal College of Physicians and Surgeons of Canada or equivalent is required. Assistance will be available for immigration and licensing requirements, if applicable.

Children's Hospital is the only tertiary care centre between Toronto and Winnipeg, serving a population of over 500,000 children and youth. The Gastroenterology Program has a comprehensive array of services encompassing the full spectrum of gastroenterology disorders, provides a full range of endoscopic procedures and is an integral part of the Paediatric Liver and Small Bowel Transplant program. The Gastroenterology Program is very active in undergraduate, postgraduate and continuing medical education. The Department of Paediatrics in London has 51 full time academic physicians, 6 basic scientists and 10 community physicians providing a full array of Paediatric sub-specialty services. Children's Hospital has 58 general paediatric beds, 12 intensive care beds, 42 neonatal beds and an extremely active emergency department. Opportunities exist for clinical and basic science research including epidemiological studies, paediatric inflammatory bowel research and transplant immunology.

London has a population of 465,000 people with the amenities of a big city but friendliness of a small town. London is located in the heart of the great lakes region, 2 hours from Toronto and Detroit. The University of Western Ontario is a research-intensive institution with a wide range of academic and professional programs (see <http://www.uwo.ca/> and <http://www.goodmovelondon.com> to learn more). Western's Recruitment and Retention Office is available to assist in the transition of successful applicants and their families.
