More information on the Department is available at <http://www.math.uwo.ca/>

Successful candidates must either have or be close to completing a PhD in Mathematics, and a demonstrated record of performance in university-level teaching. In order to enhance the teaching of these courses, preference will be given to candidates with research portfolios in a relevant field of mathematics.

In accordance with the Collective Agreement, consideration of applicants will include an assessment of previous performance, experience, and qualifications, including qualifications which go beyond the requirements for the position.

Candidates must be willing to undertake training as required by the Employer including, but not limited to, training in respect of health and safety, harassment and discrimination, and legislated service standards.

Candidates must apply using the application form available at <http://www.uwo.ca/pvp/facultyrelations/forms/LD%20Application.pdf> or from the Department of Mathematics, Room 117, Middlesex College or from the Office of the Dean of Science, Room 191, Western Science Centre. In addition to the application form, candidates should submit a curriculum vitae and evidence of successful teaching, together with the names and contact information of qualified individuals who could be contacted about their teaching experience and ability, to:

***Professor André Boivin, Chair
Department of Mathematics
Middlesex College
The University of Western Ontario
London, Ontario N6A 5B7
Telephone: (519) 661-3639
Fax: (519) 661-3610***

We also welcome e-mail submissions, to be sent to the address: math-pos@uwo.ca

The closing date for applications is February 10, 2012.

All positions are subject to budgetary approval. Applicants should have fluent written and oral communication skills in English. All qualified candidates are encouraged to apply; however, Canadians and Permanent Residents will be given priority. The University of Western Ontario is committed to employment equity and welcomes applications from all qualified women and men, including visible minorities, aboriginal people and persons with disabilities.

Note: Recent Western graduates who are foreign nationals may be eligible to work on campus. Please refer to the Citizenship and Immigration Canada website under Post-Graduation Employment at <http://www.cic.gc.ca/english/study/index.asp>
