National Sciences and Engineering Research Council (NSERC)

Undergraduate Student Research Awards (USRA)

November, 2017
Agenda

• What are USRAs?
• Eligibility: Students / Supervisors
• Award Allocation and Selection
• How to apply
• Support/Resources
• Additional Information
What are USRAs?

• A 16-week research award (consecutive weeks)
• USRAs –
  – Provide financial support for a natural sciences and engineering (NSE) research placement
    • $4500 from NSERC + supervisor supplement (min 25% of NSERC portion)
  – Help students gain research experience in an academic setting
  – Stimulate interest in research in NSE
  – Encourage students to undertake graduate studies and pursue a research career in these fields
Do I qualify?

To apply

At application:

✓ Canadian Citizen or Permanent Resident
✓ Obtained a (min) cumulative B or B- average over previous years of study*
✓ Registered in a bachelor’s program at NSERC-eligible university

To hold award

✓ Have completed all course requirements of at least 1st year of university study of your bachelor’s degree
✓ Be registered in at least one of the 2 terms immediately before holding the award (Fall and/or Winter for Summer awards)
✓ Be engaged on full-time basis in research activity in NSE for tenure of award

* Competitive program; minimum average doesn’t guarantee an award
Do I qualify? (cont’d)

Aboriginal students:

✓ Individuals who self-identify as Aboriginal, meet the program criteria and are recommended by their university, do not count toward the university’s quota of awards

Other:

✓ An individual -
  - Can’t hold more than 1 USRA in a fiscal year (April 1 to March 31)
  - Can’t hold more than 3 USRAs during their university undergrad career
Who does NOT qualify?

Students who –

– have started a graduate program
– hold higher degrees in NSE
– are enrolled in a professional degree program (ie. MD, DDS, BScN)
– Are/will be enrolled in courses full-time for the term in question
Supervisor requirements

Supervisor –

- Must hold active an active NSERC research grant, NSERC Partnership award, Canada Research Chair or Canada Excellence Research Chair, Networks of Centres of Excellence

If you need help identifying an eligible USRA supervisor, contact your faculty’s USRA representative (see contact list on Research Western USRA web page)
University award allocations

• Universities are given a yearly allocation of USRA awards by NSERC
  – Expected to be ~100 for Western for Summer 2018
• Allocation is distributed amongst Western faculties (based on a formula)
Ranking students

• Universities are responsible to establish their own selection criteria within the broad guidelines that NSERC provides
  – Criteria are determined at faculty level at Western and may be stricter than NSERC’s guidelines
• At Western, faculties rank and select students according to their established criteria
• Rankings are typically based on academic record and aptitude for research
Award decisions

• Faculties will inform applicants of their award decisions after selection process is complete (notification process can start no earlier than Feb. 5, 2018)
• Awards are non-transferable
• Award payments are made monthly to award holders through Western
How to apply

• Application is done through NSERC’s Online System
  https://ebiz.nserc.ca/nserc_web/nserc_login_e.htm

• NSERC online form is completed by both student and supervisor
  – Student – Form 202 (Part I)
  – Supervisor – Form 202 (Part II)

• If you’ve applied for a USRA previously, use the same form and update the information, transcripts
How to apply (cont’d)

Form 202 Part I – Student

– Upon completion of Part I, the system will generate a Reference # that you provide to your supervisor so s/he can go online and complete Form 202 Part II

– NSERC PIN – leave field blank if this is your 1st application to NSERC

– “Official” transcripts are not required for students registered at and intending to complete their USRA at Western

  • Ideally, the transcript contains your name, “The University of Western Ontario”, along with academic record
How to apply (cont’d)

Form 202 Part II - Supervisor

• Links to Part I by entering the Reference # the student provides

• Provides a description of the project (must be NSE focused) and a clear description of the student’s role

• ‘Submits’ in Online System to Western’s Research Development & Services Department

NSERC application support

• NSERC has a short, helpful Online Tutorial (~8 minutes)
Western deadline

- Form 202, Parts I & II must be completed and submitted online by **Friday, January 26, 2018**
Additional Information

‘Experience’ Awards (formerly *Industrial USRAs*)

- For students who wish to gain research experience in an industry setting
- Provide support via the industry host company
- Same criteria as USRA including 16-week consecutive term, during which the student is an employee of the company
- Part of student supplement is provided by the host company
- Companies/organizations must meet NSERC’s **eligibility criteria**
- **Details:**
  
Additional information (cont’d)

Holding a USRA at another university
• You can hold an award at another university
• The other university will handle the application, adjudication and awarding processes; you need to contact them

Travel allowance
• If you plan to apply for and hold a USRA at a university other than the one where you are registered, you may qualify for a travel allowance; details available through the other university

Corrections/changes to a submitted application
• Research Services must release the form back to the supervisor in the Online System. When changes are made, supervisor re-submits

USRA holders are not permitted to do thesis research during term of award
