. . . AND CONSIDER BEING A RESPONDENT

To respond to a paper it's not necessary to write a paper of your own; nor do you have to be an expert in the field. All that is asked is that you be willing to raise a problem or offer a comment based on the paper that's just been given. The speaker will provide you with a copy of the paper a week in advance. To volunteer e-mail Emanuele Leonardi and Peter Schwenger at: theory.sessions@gmail.com
