of the First Part,

King's University College at The University of Western University
(Hereinafter called "King's")

-and-

The University of Western Ontario
(Hereinafter called "Western")

of the Second Part,

WHEREAS Lambton, King's and Western wish to facilitate the transfer of graduates from the Police Foundations diploma program at Lambton degree programs at King's and Western;

AND WHEREAS King's and Western and Lambton wish to develop clearly defined pathways for the movement of students to King's or Western;

AND WHEREAS the purpose of this agreement is to enter into a formal articulation agreement recognized by the Ontario Council on Articulation and Transfer (ONCAT);

NOW THEREFORE in consideration of the mutual covenants and agreement hereinafter contained, the Parties covenant and agree each with the other as follows:

1. The Registrar's Office at each institution in consultation with the appropriate authorities in the respective programs will be responsible for the implementation of this Articulation Agreement.
2. This Agreement is effective April 1, 2013 and will be in place for a period of three years. Thereafter it may be extended by King's and Western for such additional period(s) of time as they may stipulate subject to the approval of the Western's Senate.
3. Any party may terminate participation in this Agreement during the initial term or an extension thereof upon at least twelve months written notice to the other parties. Notwithstanding this right to early termination, either party may, by written notice to the other parties, request that the Agreement be reviewed and re-negotiated in full or in part by the end of the date specified in the notice.
4. In addition to the early termination provision set out in section 3, King's or Western, in their sole discretion, may terminate their participation in this Agreement if either institution decides that transfer credit cannot be given for the college courses due to course or curriculum changes that have been or will be instituted by either Lambton or King's or Western subsequent to the signing of this Agreement. The effective date of such termination shall be the earlier of three months after written notice of termination is given to Lambton or the date upon which the changes are adopted by any of the parties.
5. Lambton students must successfully complete the Police Foundations diploma program with a competitive overall admission average for the year in which they apply as calculated by King's or Western; and have obtained a minimum grade of "C" or 60 percent in each course outlined in Appendix I in order to be considered for admission and transfer credit under this Agreement. No course substitutions are permitted. Admission is also contingent upon space availability in the programs to which the students have applied.
6. Successful applicants will receive transfer credit for the Lambton courses in accordance with Appendix I. The listed courses may be amended from time to time with the agreement in writing of the parties. Lambton must give King's or Western (as appropriate), and King's and Western must give Lambton, reasonable notice of any anticipated changes to course numbers, titles, or course content for the listed courses.

7. Students who transfer to another campus at Western will have the transfer credit that they received as part of this Articulation Agreement removed from their academic record. Credit from the Police Foundations diploma program at Lambton will be re-evaluated on a course-by-course basis by the appropriate Admissions Office.
