1. **BENTLEY, David**
2. **SIMS, Stephen**
3. **WATT, Stephen**

BENTLEY, David	
No picture provided	<p>If re-elected to the Board, I will continue to voice the concerns of faculty as compellingly as possible and with a strong emphasis on the research and teaching missions of the University. In past years, I have served three times on Senate, chaired most major university committees, and represented Western as Academic Colleague on the Council of Ontario Universities. A list of awards, grants, and recent publications is available on the English Department website:  <a href="http://www.uwo.ca/english/facultyStaff/fulltime/bentleyd.html">http://www.uwo.ca/english/facultyStaff/fulltime/bentleyd.html</a></p>
SIMS, Stephen	
	<p>I am committed to two related priorities:</p> <ol style="list-style-type: none"> <li>1. Promoting the role of graduate students and postdoctoral trainees at Western.</li> <li>2. As an active researcher, I also bring the perspective of supporting research initiatives.</li> </ol>
WATT, Stephen	
	<p>Professor Watt has been at Western since 1997, recruited as Chair for Computer Science. A world-class scientist, Watt has been an engaged member of the Western community, serving on many departmental, faculty and university level committees. Externally, Watt has extensive experience with the duties and responsibilities of governance, both in the public and private sector. He has served actively on several governing boards, including as Chairman of the Board of the NASDAQ-traded Descartes Systems Group.</p>
