**ANDRUS, Jeffrey** – Social Science, Geography, 3<sup>rd</sup> year

Jeffrey Andrus is in his third year of studying geography and history. Jeff previously supported university students as support staff in his students' union and, later, worked as a political aide for a Toronto city councillor before returning to postsecondary studies at Western. Standing on such experience, Jeff wishes to represent undergraduate students at Western by taking strong stands against unfair tuition fee increases and in favour of greater diversity in academic programs.

**FERRIS, Daniel** – Social Science, Economics, 2<sup>nd</sup> year

This area is currently empty, intended for a description of Daniel Ferris's campaign.

**HEPBURN, Denardo** – Social Science, Political Science, Honors 2<sup>nd</sup> year

I am running for an esteemed Social Science Senator position. I am a staunch advocate for change and my senate platform aggressively deals with bringing positive necessary changes to UWO. In four main points, my platform tackles the following:

- addressing stagnant tutorials sessions
- fighting for more transparency with essay and exam marking
- advocating for a longer exam study period
- creating more university sanctioned essay and exam workshops

**KIM, Jennifer Ye Won** - Social Science, Political Science, Honors 2<sup>nd</sup> year

As an active Western student, I have been involved both on and off campus for the past 2 years. Sitting on different councils gave me an opportunity to be aware of real campus issues and resolve them. As a senate, I can represent the social science students' interests, analyze problems, and actually solve them to enrich the student experience at Western. I will not only be your representative but also your advocate.

**WHELAN, Patrick** – Social Science, MOS, 1<sup>st</sup> year

I am what is missing on the Senate. I am like a nonstop train to the truth. Consider your views mine, and feel assured I will represent you until results are achieved. Accountable? You don't even know! Last year, I was President of my student council and Senator on the school board's Senate for academic policy, much like the USC Senate. Vote Patrick Whelan for the Senate, and you'll know you made the right choice.
