STUDENT ELECTION SIGNS

- All student election signs are restricted to designated areas identified by the Office of the Associate Vice-President (Finance & Facilities).
- A maximum size of 2' x 4' must be maintained for all signs.
- No paint, dye or other coloured substance (including Kool-Aid) is to be used on snow, or any other surface.
- Installation of sign poles is only permitted in snow; sign installations involving driving a stake into the ground are not permitted at any time.
- Signs constructed above ground must be free standing and require no support wires.
- No posters or signs can be attached via tape, shrink wrap, staples, nails, etc. to any campus structure or feature, including but not limited to: windows or glass in doors, light standards, trees, flagpoles, information signs, road signs, art installations, fence systems, or guard rails.
- Signs must be installed in a manner that maintains a safe egress around the designated areas for all pedestrians and drivers on the campus.
- The Associate Vice-President (Finance & Facilities) and the Director of Campus Community Police Services have the authority to remove any sign that is considered unsafe, that obstructs any line of vision thus contributing to an unsafe condition, or that is considered offensive or distasteful.
- All signage must be removed within 48 hours after the election is completed. Any signage remaining will be removed by Facilities Management and appropriate charges will be applied and billed to the group or individual responsible.
