## ALLEYNE, Chris

I am proud to be a member of the exceptional Western community and, like you, know that our reputation is due in no small part to the backbone of the university, the staff. For the past 12 years, I've had the privilege to work collaboratively with many areas on campus, and I understand the critical roles we all play in Western's overall success. I would be honoured to bring that knowledge and my experience to the Board as your representative.

## BOYE, Wade

As a 29-year employee of Human Resources, I am proud to work for one of Canada's Top 100 Employers. My current role as Communications Specialist allows me to interact with and assist staff members, faculty and students on daily basis with many HR, pension, benefits, pay and dozens of other issues. As a long-time UWOSA member I would be honoured to represent administrative staff on the Board to ensure Western's mission of international excellence is fulfilled.

## CHANT, Arzie

I believe that front-line staff who maintain the day to day operations of Western deserve to have a voice at the Board of Governors. With 13 years of experience working at Western, I am prepared to be that voice. I have worked for 4 departments on campus (both academic and ancillary), served as a UWOSA steward for 6 years, and previously served as the staff representative for Senate advocating for staff interests.
