Details are found in his report distributed with the agenda.

### BG11-44a **Western's Alcohol Policies**

Ms. Grindrod, Associate Vice-President, Housing & Ancillary Services, provided an update regarding Western's campus alcohol policy and measures employed to educate and assist students given that 70% of the first-year class, following their enrollment, are still under age in January. She explained that there is a delicate balance between discipline and driving the drinking problems underground. Housing offers special events programs on weekends and provides online tools such as a self administered "screener" where students can check their level of drinking in comparison to their peers.
