To ensure that consideration is given to as many worthy candidates as possible, the Committee invites the submission of nominations from any member of the university community.

Nomination forms may be downloaded from the following website:

PRESIDENT'S MEDAL FOR DISTINGUISHED SERVICE

Senate has established the President's Medal for Distinguished Service to recognize those individuals who have provided exemplary service to the university, over a sustained period of time, over and above the normal requirements of their positions.

The award is intended primarily to recognize staff, but faculty may also be considered for work or achievements that would not already be recognized by the professor emeritus designation or other service awards (such as teaching awards) in place.

Nominees must have been retired/resigned from the university in any capacity (including Board or Senate membership) for at least one year prior to consideration and have no ongoing formal relationship with the university.

A nomination form and additional information about the award can be found at:

http://www.uwo.ca/univsec/senate/convocation/service_award.html

and submitted electronically to kkwan63@uwo.ca prior to October 26, 2018, for consideration by the Honorary Degrees Committee.

Although the annual deadline for nominations for this award is March 14th, the Honorary Degrees Committee wishes to review any nominations received at its October 31, 2018 meeting.
