University Planning (SCUP)

**Effective Date:** July 2014

**Revised:** *

---

**TERMS OF REFERENCE**

The Committee is the chief forum within Senate for critical appraisal and coordination of long-term strategic, capital and budget plans for the University and makes recommendations concerning these to Senate, with appropriate commentary. Within this broad planning context, it has specific responsibilities as follows:

**Long-Range Planning**

To review and recommend to Senate for recommendation to the Board of Governors long-range strategic plans, capital plans, planning priorities and non-academic programs for the University.

To review and transmit to Senate, for approval or information as appropriate, reports and recommendations from the Subcommittee on Enrolment Planning and Policy relating to enrolment projections and policies, admission targets and program capacities.

To receive for information and transmittal to Senate updates on implementation of and amendments to approved plans.

**Budgets**

To review and recommend to Senate the annual operating and capital budgets, ensuring that such budgets take into full consideration approved strategic priorities and plans. Based on this recommendation, Senate provides advice concerning these budgets to the Board of Governors through the President & Vice Chancellor.

To receive for information and transmittal to Senate reports on additions to operating expenditures as approved by the Board of Governors.

**Academic Structures**

To review and recommend to Senate proposals for the creation, deletion, or restructuring of academic units.

To review and recommend for approval (either to Senate or directly to the Board of Governors through the Vice-Chancellor) the establishment of designated chairs, professorships, and faculty fellowships, consistent with University policy. Proposals that are recommended directly to the Board of Governors require the approval of a two-thirds majority of members present and voting.

**Information Technology**

To receive reports from the Subcommittee on Information Technology on security issues relating to information technology, issues relating to the World Wide Web, and policy development in the area of information technology.
Reports for Information
In keeping with its responsibilities, the Committee receives for information and transmittal to Senate a number of reports for information including:
