5. **MULI, Cynthia** - Genetics
6. **STASIEWICZ, Mark** - BMSc
7. **WHLIDAL, Jacob** – Medical Biophysics
8. **ZHOU, Kelvin** – Medical Sciences

## **BAGARIC, Matea - Biology**

My name is Matea Bagaric and I'm running for Science Senator. I'm a third year student currently enrolled in Biological and Medical Sciences.

## **CHOUHTRY, Zaineb - Neuroscience**

## **FINNIGAN, Breanne - BMSc**

My name is Breanne Finnigan, I am currently a student in my second year of the Basic Medical Sciences Program. I am running to represent the Science Faculty at Senate meetings; to communicate my fellow student's opinions on academic rules, regulations, and policies. If elected I will do my best to examine all presented situations from the perspective of science students, voting in accordance with what would align with their needs and responsibilities.

**KRAUSE, Sarah – Medical Sciences**

Hi, I'm Sarah Krause! I'm a first-year Medical Science student and I'm passionate about making Western University the very best it can be. As a first-year Chemistry Club representative and Vice President of my high school Music Council, I'm experienced in representing my student body and I'm always open to any concerns that you feel need to be addressed. I'm hard-working, dedicated, and willing to stand up and do what's right for my peers.

**MULI, Cynthia - Genetics**

Hello! My name is Cynthia Muli, and I'm running to be one of two Science Senators. I believe that we, the students, can generate dialogue to facilitate meaningful change. By working together, we can identify and work towards our common goals. These include: increasing student engagement and transparency with Senate as well as making Academic Counselling more accessible to students. I am committed to the interests of the students and hope to have your vote!

**STASIEWICZ, Mark - BMSc**

**WIHLIDAL, Jacob – Medical Biophysics**

The responsibility of overseeing all Western academic policy should not be taken lightly. Western Science undergraduates deserve an experienced, well-versed, and developed leader in the Senate. With almost three years of experience in undergraduate representation and student-centric policy research, I am a candidate prepared to advocate properly and effectively for our faculty. I'm running because I have a passion for policy work, I see it as a means to tangible change. Let's do this together.

## ZHOU, Kelvin – Medical Sciences

Hey! I'm Kelvin Zhou, a 2nd year Medical Science student. I'm running for USC Science Senator because I want to represent my peers. I have an interest in Western's academic policies and witness their impact on students and faculty everyday. I want to improve existing academic policies to benefit students' mental health while optimizing Western's resources. If elected, I will dedicate everything towards making real changes.
