

## Senate Elections: Staff

The following staff members have been nominated for Senate (term from July 1, 2015 – June 30, 2017). The statements and photos of candidates, if available, have been included below.

1. **McKIVOR (WILSON)**, Lee Ann – Registrar's
2. **MEERT-WILLISTON**, Debbie – Libraries

### **McKIVOR (WILSON), Lee Ann**

I am greatly interested in representing Western Staff on Senate. I am currently a manager within the Office of the Registrar and deal with the University's academic policies and procedures. Having over 17 years' experience in university management has forced me to tackle situations by looking at every angle. In my current position I play a key role in student issues associated with the modular delivery of degree programs. I would be honored to continue as an active member of the Western community by representing Western's Staff on Senate.

### **MEERT-WILLISTON, Debbie**

I have been the Head, Research & Instructional Services, at the Allyn & Betty Taylor Library for Western Libraries for the past four years, and have been a professional librarian for 11 years. I would be very pleased to be able to contribute to University Governance and also be able to bring the perspective of academic libraries to the committee.
