<b>FACULTY OF HEALTH SCIENCES</b>	
<p><b>HEALTH SCIENCES</b> (p. 21)</p> <p>Honors Specialization in Health Sciences  Honors Specialization in Health Information Management (HIM)  Honors Specialization in Health Sciences - Health Promotion  Honors Specialization in Health Sciences - Rural Health  Honors Specialization in Health Sciences with Biology  Major in Health Sciences  Specialization in Health Sciences  Minor in Health Sciences</p>	<p><i>HEALTH SCIENCES</i></p> <p>3-year General BHSc Program  3-year General Program: BHSc and Biology  3-year General BHSc Program: Health Sciences and Economics  4-year BHSc Program: Honors Health Sciences  4-year BHSc Program: Honors Health Sciences with Biology  4-year BHSc Program in Honors Health Sciences and Honors Economics  4-year BHSc Program in Honors Health Sciences, Health Information Management  4-year BHSc Program in Honors Health Sciences - Rural Health Stream  4-year BHSc Program in Honors Sociology of Ageing and Health</p>
<p><b>KINESIOLOGY</b> (p. 24)</p> <p>Honors Specialization in Kinesiology- BSc  Honors Specialization in Kinesiology- BA  Major in Kinesiology</p>	<p><i>KINESIOLOGY</i></p> <p>3-year BA Program in Kinesiology  4-year BA Program Honors Kinesiology  4-year BSc Program Honors Kinesiology  4-year BA in Honors Kinesiology with an area of concentration in another discipline (S.94-112)  4-year BSc in Honors Kinesiology with a Specific Area of Concentration in Science (S.98-035)</p>
<b>FACULTY OF INFORMATION AND MEDIA STUDIES</b>	
<p><b>MEDIA, INFORMATION AND TECHNOCULTURE</b> (p.26)</p> <p>Honors Specialization in Media, Information and Technoculture  Honors Specialization in Media and the Public Interest (MPI)  Major in Media, Information and Technoculture  Major in Media and the Public Interest (MPI)</p>	<p><i>MEDIA, INFORMATION AND TECHNOCULTURE</i></p> <p>3-year BA Program in Media, Information and Technoculture (MIT)  4-year BA Program in MIT  4-year BA Program Honors MIT  Combined Honors Program  4-year BA Program in Honors MIT and Geography</p>
<b>INTER-FACULTY MODULES</b>	
<p><b>LINGUISTICS</b> (p. 28)</p> <p>Major in Linguistics  Minor in Linguistics</p>	<p><i>LINGUISTICS</i></p> <p>Combined Honors Program in Linguistics  BA Program in Honors Linguistics and Psychology</p>
<p><b>WOMEN’S STUDIES</b> (p. 28)</p> <p>Honors Specialization in Women’s Studies  Major in Women’s Studies  Specialization in Women’s Studies  Minor in Women’s Studies  Minor in Feminist Theory</p>	<p><i>WOMEN’S STUDIES</i></p> <p>3-year BA Program; Area of Concentration in Women’s Studies  BA Program in Honors Women’s Studies  BA Program in Honors Women’s Studies and Psychology  Combined Honors Program in Women’s Studies</p>

<b>FACULTY OF MUSIC</b>		
MUSIC - BA Honors Specialization in Music Major in Music Minor in Music	(p. 30)	3-year BA in Music 4-year BA in Honors Music
<b>FACULTY OF SCIENCE /MEDICINE &amp;DENTISTRY and SCIENCE</b>		
ANATOMY & CELL BIOLOGY Major in Anatomy & Cell Biology Minor in Anatomy & Cell Biology	(p. 31)	(For BMSc Program See Medical Sciences)
APPLIED MATHEMATICS Honors Specialization in Applied Mathematics Honors Specialization in Mathematical Sciences Honors Specialization in Applied Quantitative Information Technology (AQIT) Major in Applied Mathematics Major in Applied Mathematical Methods Major in Scientific Computing and Numerical Methods Major in Theoretical Physics Minor in Applied Mathematics Minor in Mathematical and Numerical Methods	(p. 31)	<i>APPLIED MATHEMATICS</i> 3-year BSc Program in Applied Mathematics 3-year BSc Program in Applied Mathematics and Computer Science 4-year BSc Program in Honors Applied Mathematics 4-year BSc Program in Honors Applied Quantitative Information Technology 1- Continuum Mechanics Option 2- Theoretical Physics Option 3- Mathematical and Computational Methods 4- Chemistry Option 4-year BSc Program in Honors Applied Mathematics and Computer Science 4-year BSc Program in Honors Applied Mathematics and Geophysics (Environmental Modelling) 4-year BSc Program in Honors Applied Mathematics and Statistics 4-year BSc Program in Honors Applied Mathematics and Statistics in Environmetrics
BIOCHEMISTRY Honors Specialization in Biochemistry Specialization in Biochemistry Minor in Biochemistry	(p. 35)	<i>BIOCHEMISTRY</i> 3-year BSc Program in Biochemistry and Chemistry 4-year BMSc Program in Honors Biochemistry 4-year BSc Program in Honors Biochemistry and Chemistry
BIOINFORMATICS Honors Specialization in Bioinformatics (Biochemistry Concentration) Honors Specialization in Bioinformatics (Computer Science Concentration)	(p. 37)	4-year BSc Program in Honors Computer Science with Bioinformatics Specialization

<p><b>BIOLOGY</b> (p. 38)</p> <p>Honors Specialization in Biology  Honors Specialization in Cell and Developmental Biology  Honors Specialization in Comparative Physiology  Honors Specialization in Ecology and Evolution  Honors Specialization in Genetics  Major in Biology  Specialization in Biology  Minor in Biology  Minor in Genetics</p>	<p><i>BIOLOGY</i></p> <p>3-year BSc Program in Biology  4-year General BSc Program in Biology  4-year BSc Program in Honors Biology  4-year BSc Program in Honors Cell Biology  4-year BSc Program in Honors Ecology and Evolution  4-year BSc Program in Honors Genetics  4-year BSc Program in Honors Plant Biochemistry and Molecular Biology  4-year BSc Program in Honors Plant Sciences  4-year BSc Program in Honors Zoology</p>
<p><b>CHEMISTRY</b> (p. 42)</p> <p>Honors Specialization in Chemistry  Honors Specialization in Biochemistry and Chemistry  Major in Chemistry  Specialization in Chemistry  Minor in Chemistry  Minor in Advanced Chemistry  Minor in Physical, Theoretical and Analytical Chemistry  Minor in Materials Chemistry  Minor in Inorganic and Analytical Chemistry  Minor in Inorganic and Organic Chemistry</p>	<p><i>CHEMISTRY</i></p> <p>3-year BSc Program in Chemistry  4-year BSc Program in Honors Chemistry  4-year BSc Program in Honors Chemistry and Economics  3-year BSc Program in Chemistry and Geology</p>
<p><b>COMPUTER SCIENCE</b> (p. 45)</p> <p>Honors Specialization in Computer Science  Major in Computer Science  Specialization in Computer Science  Minor in Computer Science  Minor in Software Engineering  Minor in Computer Algebra  Minor in Theoretical Computer Science  Minor in Applications of Computer Science</p>	<p><i>COMPUTER SCIENCE</i></p> <p>3-year BA Program in Computer Science  3-year BSc Program in Computer Science  4-year General BSc Program in Computer Science  4-year General BSc Program Computer Science with Software Engineering Specialization  4-year BA Program in Computer Science and MIT  4-year BSc Program in Honors Computer Science  4-year BA Program in Honors Computer Science and MIT  4-year BSc Program in Honors Computer Science with Software Engineering Specialization  4-year BSc Program in Honors Computer Science with Mathematics Minor  4-year BSc Program in Honors Computer Science with Economics Minor  4-year BSc Program in Honors Computer Science with Philosophy Minor  4-year BSc Program in Honors Computer Science with Psychology Minor</p>

<p>EARTH SCIENCES (p. 48)</p> <p>Honors Specialization in Geology  Honors Specialization in Geophysics  Honors Specialization in Geology and Biology  Honors Specialization in Environmental Geoscience  Major in Earth and Planetary Sciences  Specialization in Geology  Specialization in Geophysics  Specialization in Geology and Biology  Specialization in Environmental Geoscience  Minor in Geophysics  Minor in Advanced Studies in Earth and Planetary Sciences  Minor in Earth and Planetary Sciences</p>	<p><i>EARTH SCIENCES</i></p> <p>3-year BA Program in Geology  3-year BSc Program in Geology  4-year General BSc Program in Geology  4-year BSc Program in Honors Geology  4-year BSc Program in Honors Biology and Geology  3-year BSc Program in Geophysics  4-year General BSc Program in Geophysics  4-year BSc Program in Honors Geophysics</p>
<p>ENVIRONMENTAL SCIENCE (p. 53)</p> <p>Honors Specialization in Environmental Science  Major in Environmental Science  Specialization in Environmental Science  Minor in Environmental Science</p>	<p><i>ENVIRONMENTAL SCIENCE</i></p> <p>3-year BSc Program in Environmental Science  3-year BSc Program in Biology and Environmental Science  3-year BSc Program in Chemistry and Environmental Science  3-year BSc Program in Geology and Environmental Science  3-year BSc Program in Statistics and Environmental Science  4-year BSc Program in Honors Biology with Environmental Science  4-year BSc Program in Honors Chemistry with Environmental Science  4-year BSc Program in Honors Geology with Environmental Science  4-year BSc Program in Honors Toxicology with Environmental Science</p>
<p>MATHEMATICS (p. 55)</p> <p>Honors Specialization in Mathematics  Major in Mathematics  Specialization in Mathematics  Minor in Mathematics</p>	<p><i>MATHEMATICS</i></p> <p>3-year BA Program in Mathematics  3-year BSc Program in Mathematics  3-year BSc Program in Mathematics and Computer Science  3-year BSc Program in Mathematics and Statistics  4-year BA Program or BSc Program in Honors Pure Mathematics  4-year BSc Program in Honors Mathematics with Computer Science Minor  4-year BSc Program in Honors Mathematics and Computer Science  4-year BA Program in Honors Mathematics with Economics Minor</p>
<p>MEDICAL BIOPHYSICS (p. 56)</p> <p>Honors Specialization in Medical Biophysics  Major in Medical Biophysics  Specialization in Medical Biophysics  Minor in Medical Biophysics</p>	<p><i>MEDICAL BIOPHYSICS</i></p> <p>4-year BMSc Program in Honors Biophysics</p>

<p>MEDICAL SCIENCES (p. 58)</p> <p>Honors Specialization in Medical Sciences Major in Medical Sciences Specialization in Medical Sciences Minor in Medical Sciences</p>	<p><i>MEDICAL SCIENCES</i></p> <p>4-year General BMSc Program in Medical Sciences 4-year BMSc Program in Honors Medical Sciences</p>
<p>MICROBIOLOGY AND IMMUNOLOGY (p. 61)</p> <p>Honors Specialization in Microbiology and Immunology Specialization in Microbiology and Immunology Minor in Microbiology and Immunology</p>	<p><i>MICROBIOLOGY AND IMMUNOLOGY</i></p> <p>4-year BMSc Program in Honors Microbiology and Immunology</p>
<p>PHYSICS AND ASTRONOMY (p. 62)</p> <p>Honors Specialization in Physics Honors Specialization in Astrophysics Honors Specialization in Medical Physics Honors Specialization in Materials Science Honors Specialization in Biomaterials Honors Specialization in Planetary Science Major in Physics Major in Astrophysics Major in Medical Physics Major in Materials Science Major in Biomaterials Major in Planetary Science Minor in Astronomy Minor in Physics Minor in Materials Science Minor in Biological Physics Minor in Planetary Science</p>	<p><i>PHYSICS AND ASTRONOMY</i></p> <p>3-year BSc Program in Physics 4-year BSc Program in Honors Astronomy 4-year BSc Program in Honors Astronomy and Geophysics (Planetary Science) 4-year BSc Program in Honors Physics 4-year BSc Program in Honors Physics and Geophysics (Atmospheric Physics) 4-year BSc Program in Honors Physics and Computer Science 4-year BSc Program in Honors Science of Materials 4-year BSc Program in Honors Medical Physics 1- Biological Option 2- Physics Option</p>
<p>PHYSIOLOGY AND PHARMACOLOGY (p. 69)</p> <p>Honors Specialization in Physiology Honors Specialization in Physiology and Pharmacology Honors Specialization in Physiology and Psychology Major in Physiology Specialization in Physiology Specialization in Physiology and Pharmacology Honors Specialization in Pharmacology and Toxicology Major in Pharmacology and Toxicology Specialization in Pharmacology and Toxicology Minor in Pharmacology and Toxicology Honors Specialization in Toxicology and Pathology Specialization in Toxicology and Pathology</p>	<p><i>PHYSIOLOGY AND PHARMACOLOGY</i></p> <p>3-year BSc Program in Physiology and Psychology 4-year BSc Program in Honors Physiology and Psychology 4-year BMSc Program in Honors Physiology 4-year BMSc Program in Honors Pharmacology and Toxicology</p>

<p>STATISTICAL AND ACTUARIAL SCIENCE (p. 75)</p> <p>Honors Specialization in Actuarial Science  Honors Specialization in Statistics  Major in Statistics  Major in Actuarial Science  Minor in Probability  Minor in Operations Research  Minor in Statistical Theory</p>	<p><i>STATISTICAL AND ACTUARIAL SCIENCE</i></p> <p>3-year BA Program in Statistics  3-year BSc Program in Statistics and Computer Science  4-year BA Program or BSc Program in Honors Actuarial Science  4-year BA Program or BSc Program in Honors Statistics  4-year BA Program or BSc Program in Honors Actuarial Science and Mathematics  4-year BA Program or BSc Program in Honors Mathematics and Statistics  4-year BA Program or BSc Program in Honors Actuarial Science and Statistics  4-year BSc Program in Honors Actuarial Science and Computer Science  4-year BSc Program in Honors Computer Science and Statistics  4-year BA Program in Honors Actuarial Science with Economics  4-year BA Program in Honors Statistics with Economics</p>
